Welcome...

...to the very first issue of QXMEN.

If the magazine in your hand feels vaguely familiar, it's because QXMEN has taken over where Manzone left off. Those of you picking up QXMEN in London or on the South Coast will no doubt be familiar with the weekly QX Magazine. So I guess you could view QXMEN as QX Magazine's sluttier sister mag.

If you model yourself on Mary Whitehouse, I suggest you stop right here. Packed with the horniest porn releases, kinkiest toys, hottest guys and all manner of stuff to get you off, we're sure you're going to like it.

QXMEN is a monthly publication that's available nationwide. From Birmingham to Brighton, Exeter to Edinburgh, Southampton to Sunderland, Greenwich to Glasgow – you can pick up QXMEN almost anywhere. The whole magazine is downloadable online at www.qxmen.com.

We like it and hope you do too!

YOUR SHOUT...

Hi there,
I've always been a big fan of Thom Barron and CAZZO's films have been the fuel for many a wank fantasy. I loved the interview with him in the last issue of Manzone. Please, please tell me you'll be doing more of the same in QXMEN.

Russell, Battersea, London

Hi Russell. Thanks for your letter. Here at QXMEN we're also big fans of the CAZZO boys and their filthy films. Rest assured we'll be reviewing porn films from all the big companies and we'll be doing one-on-one interviews with their biggest stars. From twinks to muscle studs, skins to bears. You want it? You'll find it all in QXMEN. Our aim is to keep you up to date with the hottest releases and keep you cummin' back for more. Time and time again.

Dear Editor,
Good luck with the new magazine QXMEN. I've kept all 41 issues of Manzone and often flick through back issues when I need a little visual stimulation (wink wink). I know QX Magazine is available in London and I know that while it's available on the web, the magazine itself does not get "oop North". Now call me old fashioned, but when I'm bashing my bishop I'd rather be flicking pages than fiddling with my mouse – you know what I mean? So where can I get my hands on the new QXMEN magazine?

Troy, Manchester

Hi Troy,
Thanks. We know what you mean about having something in your hand. We hope you'll like it as much as you obviously liked Manzone. You'll be pleased to know that QXMEN is nationwide. We will be delivering to Manchester so you should have no shortage of material to keep you occupied on those nights home alone.

Hi there.
Thank you so much for the review of 'Sweat' from Bulldog XXX. I was thumbing through the magazine and read about the three chefs who get up to all sorts of shenanigans in the kitchen with vegetables, squirty cream and chocolate sauce. I have always had a big thing for getting really messy with food - alone and with other guys. Some might think it weird but I love covering myself and wanking with yoghurt and cream – the thicker the better! Needless to say I went right out and bought 'Sweat' that day. The film's hardly been out of my DVD player since! Thanks.

Filthy Little Piggy, Manchester

Hello Piggy,
There are strokes for folks and horses for courses. If it floats yer boat, then give it a try. Now tell me, what sort of yoghurt exactly? Not those Biopots with the fruity bits in? Surely they must get everywhere! You must have fabulous skin. Oink oink!

Dear Editor,
I've always been one of those guys who would only ever fuck. When I was younger I tried being a bottom and failed miserably – maybe I was nervous – it just didn't happen. Over the years I've always been with guys who were total bottoms and were quite content to let me fuck them – never wanting the roles reversed. So I guess I became set in my ways. Anyway, to cut to the chase: I picked up a copy of Manzone and was having a laugh with my mates about the size of the dildos. How could anyone get a 'Buck Medows 12 incher' up them! Well, after a few too many beers I was persuaded to buy a toy. I thought, fuck it, I'm forty years old, time to expand my horizons – so to speak. So while I didn't buy something the size of a door stop, I did invest in something to get me started.
After a few weeks of playing around at home, I was ready to give it a try. And I've never looked back. Now I'm Betty Bothways!

Sam, Brighton.

Sam,
You know what they say: don't knock it 'til you've tried it! So, you'll be having your back door bashed in on a regular basis from here on in? Has your collection expanded, like your horizons? Do you have a particular favourite? Do you prefer the real thing to a toy? Do keep us up to date. We'd like to hear about all the exploits of our readers.
In the meantime, check out those big boys on page 42, enough to make your eyes water!

Do you need to get something off your chest? Have you got a comment, a filthy story or even some horny pictures that you'd like to share with QXMEN? Have your shout. Email qxmen@qxmagazine.com or post them to QXMEN, 2nd Floor, 23 Denmark Street, London WC2H 8NH.

IN THE GREEN ROOM

At some point most gay men have been to a sauna, some very occasionally, others become permanent fixtures. While we all hope for a happy ending (wink wink) the whole experience is made so much more enjoyable if the facilities are top notch.

The ever-expanding Greenhouse brand has been operating for nearly twenty years and there are Greenhouse saunas in Darlaston, Luton, Newport and Barnsley. Over the past year all the sites have been refitted and modernised. Darlaston refurbishments include a conservatory-style smoking room on the roof garden, jacuzzi area, cinema and restaurant areas. Newport got a new cinema, café bar, locker room and chillout areas.

Luton has been kitted out with a funky new bar area, VIP cabins, flat panel TVs, mirrored ceilings and mood lighting. The Greenhouse group has a hotel in Luton too, also recently refurbished - great value with a double room costing just £35 per night. So if you meet Mr Right (or Mr Right Now) and want to get better acquainted, why not spend the night? Call 01582 487 701 for more info.

Current facilities include a sub-tropical style swimming pool, steam rooms, saunas, gym, internet room and the hugely popular cruising areas including dungeon, S&M room, various cabins and rest rooms. So, what are you waiting for? Check them out.

An oasis of pleasure in a hectic world

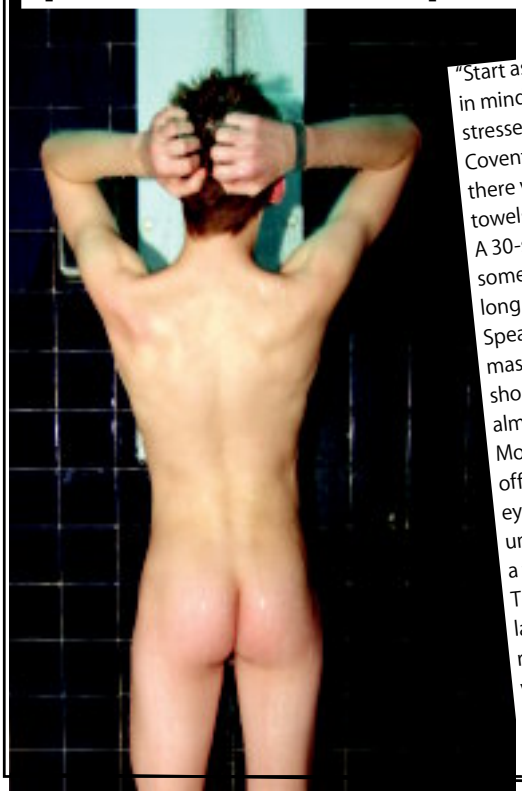
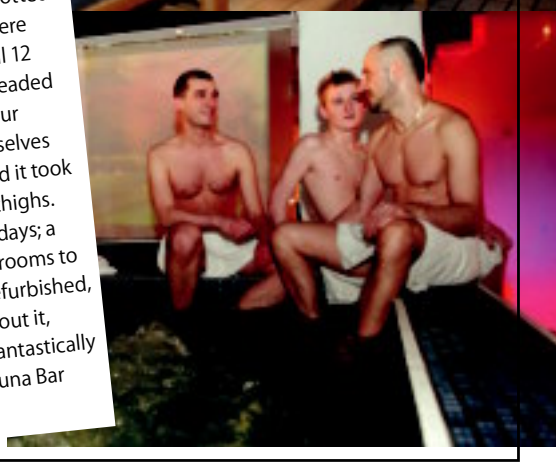
SAUNA BAR

29 Endell St, Covent Garden, WC2H. Tel: 020 7836 2236.
Open: Mon - Thu 12noon – 12pm. Fri 12noon thru to Sun 11pm (24hrs).





"Start as you mean to go on," I was always taught, so with that in mind Friday evening saw us heading off to cleanse away the stresses and strains of the week (oh yes, and hunt for cock) at Covent Garden's **Sauna Bar**. Arriving just after the working day, there were already a number of fit young guys sat at the bar in towels having shucked their 9 to 5 attire.

A 30-something American exec-type was hitting on a 20-something East European blond cropped Adonis and it wasn't long before they went off to check out the facilities together. Speaking of which, we passed a very pleasant hour with resident masseur Mario who soon had his thumbs in our tightly knotted shoulders; if you fancy some hands-on treatment then there almost is always a pro on call during opening hours (12 'til 12 Mon-Thu, 24 hour Fri-Sun). Pummelled and revived we headed off for a dip in the huge spa. Unfortunately, not having our eyes accustomed to the mood lighting we dumped ourselves unceremoniously in the lap of a Spaniard called Jose and it took a full 20 minutes to extricate ourselves from his meaty thighs. The rest of the facilities are as you would expect these days; a large misty steam room, sweltering sauna and several rooms to relax and chill in, and all clean, modern and recently refurbished, while the bar area has the air of the Mediterranean about it, with ample leather sofas and curtained areas. Being fantastically conveniently located there really is no reason why Sauna Bar shouldn't be on everyone's itinerary.

CHARIOTS STREATHAM

At the rear of 292 Streatham High Rd, London SW16 6HG. Tel: 020 8696 0929.
Open: Mon - Thu 12noon – 2am. Fri 12noon thru to Mon 9am (24hrs).

Continuing our penchant for investigating local venues, Saturday saw us make the short journey from London Bridge to Streatham to check out the area's **Chariots Sauna**. Located just off the High Street and easy to find, the terraced entrance is wide and welcoming (oo-er missus), and as we have experienced at other venues in the suburbs, the friendly staff are attitude-free, helpful and chatty with a keen eye for customer service.

No punter production line here, a cheery smile from manager Rob as you hand over your £11 and it's through to the locker room (140 of them since you asked) and into the coffee bar/TV lounge area for some free refreshments and a seat on the deep leather sofa to look out for some totty. Spread over three floors, all the usual facilities are present – dry sauna (three of them), steam room, naughty video lounge, showers and rest rooms – as well as a super-size Jacuzzi. We weren't able to test the large capacity claims of the latter (side tracked by a 6'2" Italian called Paolo) but did meet a sexy tattooed regular called Clay who took us in hand and made sure we saw everything.

Opening hours are Monday - Thursday 12noon-2am, and a mega 69 hours at the weekend, Friday 12noon – Monday 9am. The crowd is a good mix of local and visiting guys of all ages, shapes and colours (something for everyone). We also heard from several regulars that the venue attracts quite a few bi guys looking to swing the other way for an hour or two.

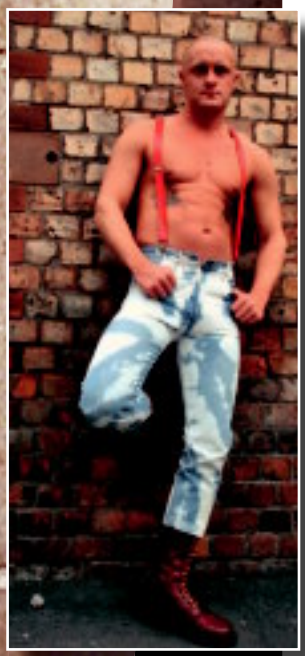
INNUENDO

sleazy access

Globally renowned for their incredible leathers, rubber and twisted gear, R&B have created a kinky twist on the classic skin bleacher jeans - they've put a zipper in the back. Now how naughty is that!

When the zip is closed you can but barely notice it. Open, it exposes your man hole to maximum effect. Forget fussing with buckles, belts and fasteners. You want cock up you? Well you can get it faster than you can say 'spit and shove'! Unzip your back to expose your crack. These new crack zip bleachers are the perfect gear for summer pigs that want to look good, play hard and keep cool. And at £49 (plain) and £65 (crack zip) they won't break the bank. Less cash for gash.

...And why not top off that skin look with rubber braces, priced £32. Depending on what you're into, choose from blue, white, yellow and red. And of course the obligatory 'bovver' boots. Choose 14, 20 or 30 hole boots.



RoB has shops in London, Manchester, Amsterdam, Berlin, Zurich, Paris and Brussels.

WORLD SOCCER ORGY PART I

PRODUCTION: **Eurocreme Platinum**
DIRECTED BY: **Vlado Iresch**
RUNTIME: **110 mins**

With the planet still buzzing from World Cup mania, you'd think we'd have had it with boys in football shorts showing off their tackle. Of course not. Bring 'em on!

This latest release from the Eurocreme stable sees photographers being sent undercover to uncover everything about the beautiful game. And boy do they get snap happy!

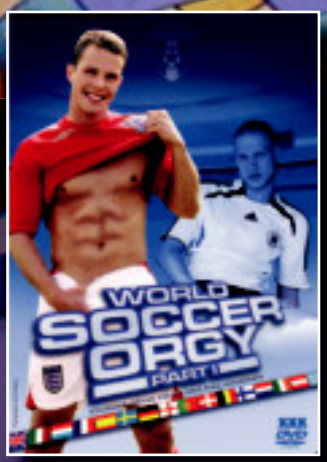
Shot in the Czech Republic the boys are an international mix, ranging from greedy twink bottoms to muscle-top studs. The scenes are interspersed with hilarious Footballer's Wives-style tabloid headlines, which keeps it all tongue in cheek.

The first scene follows a training session – a vigorous spit roast that ends in some expert cum guzzling (something that happens a lot in this flick). Up in the mountains a striker takes a tumble while training, however, this doesn't stop him taking his blond trainer's cock, despite the pulled muscle!

A simple rub down ends in a pumping oiled-up three-way on the massage table. Bet Wayne Rooney doesn't get this kind of physiotherapy! Our two paparazzi celebrate their scoops by sucking, rimming and fucking each other 'til they gush like geysers. Meanwhile the French team is also celebrating in the back of the bus, where one young defender does little to stop two huge cocks going into his goal – slurping cum with gusto. In the German changing room a twink with a Mohican (how Beckham can you be?) takes six cocks in succession.

If fit lads in footie kit gets you dribbling, this film is a must.

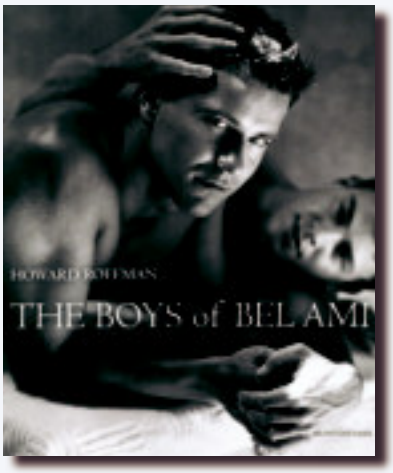
And Soccer Boy Orgy part 2 is out now – the changing room scene has over two dozen guys in it!



World Soccer Orgy Part 1 is available at www.eurocreme.com

THE BOYS of BEL AMI

BY HOWARD ROFFMAN



Known globally for his studies of beautiful young men, photographer Howard Roffman's books grace many a homo's coffee table. Books like 'Pictures of Kris', 'Tales', 'Friends & Lovers', 'Peter & Petr' and 'Three' show a real connection with the models, mixing posed compositions with casual, everyday shots.
In 2001 Roffman published a book on one of Bel Ami's originals, Johan Paulik. In December 2004 Roffman was invited to Cape Town to photograph fifteen of those gorgeous Eastern European beauties whilst filming the porn flick 'Out In Africa'. Shot over eight days this glorious collection of lush black and whites shows the boys "at work" and at play, and at a whopping 228 pages is his biggest yet.

The Boys Of Bel Ami is available from branches of Prowler and Clone Zone, price £45.

MOVIE REVIEW

The latest release from Euroboy opens to familiar views of London landmarks. Featuring guys that can be seen on the scene and plots that most of us have actually experienced, straight away you know you're going to be treated to Euroboy's trademark twink porn – it's the sexy boy next door, that guy you sat next to on the bus, that one you saw in a club – a welcome antidote to the buffed, bronzed, monosyllabic "actors" from across the pond. The plot revolves around the main character, the gorgeous Jack Jefferson, and his wank fantasies. As he bashes his bishop he gives a filthy commentary on encounters he's had and scenarios he's dreamed up. From getting a face full of gushing jism whilst on his knees in the cottage, to picking up on the tube and replaying his DJ pick-up fantasy. There are six hot scenes including this reviewer's two favourites: an all out threeway in a hostel involving three mates who are too restless to sleep, and a three-way shot in a sex shop featuring one very sexy fucker from the back pages of QX. The script is very well written and those who get off on dirty talk should turn the volume up and enjoy. The extras include interviews with the models, which includes solo performances where they beat off and cum – enough to be considered as another DVD. There's also behind the scenes section. 'Innocence'? More like 'Innocence Lost'.

Innocence is available from Prowler.

LOCKDOWN

PRODUCTION: **Mustang Studios,** DIRECTED BY: **John Bruno**
RUNNING TIME: **85 mins**

Bringing a whole new meaning to "banged up", Lockdown plays on the fantasy of being in prison with a bunch of horny men that have gallons of pent-up sexual aggression to spend. Cal 'Speedy' Reynolds is head guard at Pinehurst Prison and he's enforcing a 'lockdown' as those unruly prisoners need to be taught some discipline. First on his hit list is Mustang exclusive Jake Dakota, who gets the big daddy workout. Next is guard Parker Williams who takes Shane Rollins out of his cell for some one-on-one, but he gets flipped and fucked. Then it's guards against the inmates in a sweaty, dirty four-way between Owen Hawk, Tommy Blade, Matt Cole and Derek Foster. "Speedy" returns for the final scene with Cliff Rhodes, Derrick Hanson and Rik Jammer that involves some serious ass stretching with a mechanical fuck machine. If you've recently become a fan of 'Prison Break' for all the wrong reasons, this DVD is certainly for you big, hairy-arsed guys, who get down and dirty. Extensive DVD extras include behind the scenes photos, deleted scenes, interviews and a bank of trailers. If Prison's like this throw away the key!

Lock Down is available from Prowler.

Arabesque

PRODUCTION: **Raging Stallion Studios**
DIRECTED BY: **Chris Ward**
RUNNING TIME: **360 mins**

A long time ago, in a far away place.... beneath the shimmering sun of the hot Sahara was a land of fire and flame, a world where men ruled the desert from horseback and found sexual pleasure in violent lusts and desires. The heat of the Arabian drove men into each other's arms of sweat and passion that filled deep-rooted needs.

Has that set the scene for you? Well, basically cutting to the chase, if you don't know who Raging Stallions are, these guys produce some of the raunchiest movies around. This well prepared fuck flick is one of their best releases, if not the best (although we're not supposed to be biased). It's polished, it's a double-disc set and the men are hot as fuck with a mixture of smooth and hairy chested hunks punching fucks into the night mmmmmmm.

In one super-charged scene, the men enjoy each other with rampant desire, sweat dripping from every brow and thrusts from big powerful muscled thighs that would make you scream your head off as you bite into that pillow.

In another scene, set deep inside the palace in a small chamber, Raging Stallion's Man of the Year, Remy Delaine, stands in embrace with Cory Koons. The two caress each other as cocks grow to attention. Pants drop and Cory goes down on Remy's huge cock (one of the largest in porn today!) servicing his master with his eager mouth! As Remy's cock gets harder and harder, longer and longer, thicker and thicker, Cory struggles until his first hole is worn out. Remy flips him over and impales him with slamming long strokes that practically rip Cory in two. It's a great demonstration why Remy was chosen as their Man of the Year.

DIRECTED BY: **Sven Jungbluth**
RUNNING TIME: **96 mins**

Crazy and fucked up! A bizarre kaleidoscope of explosive sex in Berlin with off-the-wall ideas that will make any lover of Cazzo or the infamous Thom Barron, a dribbling mess. I think we've all seen old Cazzo videos in black and white. Strong as ever, they are alive and definitely kicking with their latest release, Thom Barron Calling.

New sex adventures are waiting around every corner in the world of Cazzo! Franco Potente is running through Berlin and only has two hours to meet his dream man. When he finally meets up with Thom his time is already up – but what happens then is a dream come true anyway!

In a mad world of masturbating hot-dog vendors, razor-sharp hairdos, fucking cellar punks, horned up gallery visitors, and a strip bar teeming with sex-crazed black men, where does a boy start? First, he falls into the trap of a sex psychopath, and then he runs into a group of nasty skinheads - oh dear! Every minute he experiences one Berlin sex revelation after the other.

The film sounds very strange but it had my cock standing to attention in no time. With a kebab seller wanking into the yogurt-sauce and an art exhibition audience applauding hot fuck-action as two guys shag right there and then they become the star piece of the "exhibition". There's sex in a video-cubicle, sex in a car and a wank in a public toilet. Besides twenty red-hot boys there's mega-star Thom Barron in action. What more could you want? Picture and sound are great. All in all, a great Cazzo movie. Give it a go, especially if fucking in public places is your thing. You'll be cumming back to this again and again!

LOCKER ROOM

PRODUCTION: **Body Productions**
DIRECTED BY: **Marc Dorcel**
RUNNING TIME: **2 hrs**

Have you seen the prequel films from Body Productions yet? Oh my God, if you haven't, what have you been doing? They are hot as fuck with gorgeous men. They do showcase young guys as well, but this film is all about men. Big fuck-off muscle toned brutes make this the one to buy! Body Productions is new to the UK and Clonezone have three titles out now to buy. The last one, Flight Club was a superb film with Eastern European twinks, but this one is men all the way.

On to the film in case - Locker Room (Vestiare Pour Mecs). After an intensive day training on the pitch, running around in nylon footy shorts and tackling hunky opponents these sweaty boys leave the football pitch to shower. Once in the cloakrooms, the temperature rises as do the tented shorts. The lads go for a shower and it's play time again! Sensual kissing, leading to full-on tongue action, licking face and cheeks. These guys' shovel-like hands are all over each other like a rash as they massage to cool down the hard worked biceps and thighs.

Filmed on location, we see footy tops, and other sports gear paraphernalia hung around the place for added effect. We wondered what the sports massage bed was going to be used for. At one point, a new cute young football player is treated (if not introduced) to his very first homosexual experience. He is ceremoniously taken up the arse by a guy with a reported 22cm long cock (that's 9 inches boys). I could say lucky bitch, but I'm thinking - Virgin my arse!

VICTOR COWBOY

This month's cover-boy and centrefold pin-up hails from Brazil and if you think he looks familiar it is probably because you've seen him in one of the 28 porn movies that he's made for Kristian Bjorn and for Sexy, a Brazilian company. This 26 year old weighs in at 86K, is 1.78m tall, has gorgeous green eyes and currently lives in London – the rest you can see for yourself. You can get even closer to this hunky top by calling 07783 268 519 and arranging to have the time of your life.

The APPRENTICE

PRODUCTION: **Manzone DVD**
RUNNING TIME: **90 mins**

The second scorching release from new cummers Manzone DVD. The Apprentice is out now and guaranteed to make a mess in your pants. If you're a lover of boys and big dicks, let's face it, who isn't, then this twink-fuelled hardcore fuckathon will have you tenting in no time.

Super-cute apprentice Danny starts a new job down at the local garage and is introduced to an initiation us mortals can only dream of. Complimented by a cast of seven spunky twinks and one hunky Garage Manager, new boy Danny has a long hard day ahead of him. Lucky fella!

The first scene opens with two guys romping in the garage-pit before work. Clothed in overalls undone to the waist and cocks standing to attention, these two enjoy heavy snogs going hammer and tongue, stroking and wanking each other's cocks before one guy is bent over and fucked where he stands. Danny walks by and catches a glimpse of this hot action. Captivated and curious he watches and is soon hard himself. So turned-on by these guys, he later jerks off in the toilet fantasising that he was in the middle.

There must be at least three shag scenes before the mid-morning break. These boys know how to screw! The hottest scene has to be outside the back of the garage where two guys enjoy a cig and a grope, before getting down to some boy-on-boy action. The taller guy has an enormous cock which soon finds its way up the chute of his mate's willing hole. They fuck hard and fast outside in the cold air. Their breath exhaling in the cold weather, but the coldness doesn't bother these two as they show us how they use their tools in this fantastic ninety minute debut.

OUTDOOR UK

Too darned hot? Boy-in-the-bush Adrian Gillan explores out-of-town parklife as summer cometh!

Cardiff

Get off on yummy lads in scrums or strapping miner boys sluicing off their soot? Dream on! Cardiff is in fact one of Europe's youngest capitals and has some seriously horny, luscious, lilting stunners with dark hair and eyes, high cheekbones and strong jaws to die upon. Outdoor cruising means central Castle Park, only a five minute walk away from quarters queer. Busy day or night – stroll in the main gate by day; enter via the paths just over the river to the side by night.

Blackpool

Brighton it is not: but none the worse for that. Blackpool's claim to be the gay capital of the North may be disputed by Manchester, but that doesn't stop hoards of horny gay day trippers and weekend breakers swapping stylish Canal Street for some seriously unpretentious end-of-pier camped-up fun on the drag, hen and hag-dominated scene 'twixt main station and front - in the very shadow of the Tower. Cool off with a walk along the front. From the War Memorial by the North Pier, follow the pathway north along Middle Walk, between the Promenade and Lower Walk - a magic mile of colonnades where men meet men after hours, not least mid-summer.

Bournemouth

Cruising means The Gardens, the upper tract of park strip that cuts a swathe right through Bournemouth town centre, notably the stretch just north of the A35 Wessex Way flyover, easily accessible by horned-up post-club fellas who failed to pull or prefer their boys all bushy - busy Fridays and Saturdays and notorious on Sundays after dark. You can also try your outdoor luck along The Chines, a series of sea cliff valleys along West Cliff, mainly used by randy motorists who pull-in-to-pull and get laid-in-lay-bys. However - for many - Bournemouth in summer means Studland Nudist Beach - at least the male-frequented parts of it - accessible via the Sandbanks Ferry.

Portsmouth

Portsmouth gave Nelson his Victory and has given sailors a warm heartfelt passage ever since. If it's late night fare you're after, outdoor cruising's rife back down at South Parade around Henry VIII's little old castle by the sea, though beware - a giant straight club backs onto the area and groups of drunken hettie hunks have been known to cause trouble. For something safer: by day, there's a gay Nudist Beach right in front of the MoD base - a half hour ramble east along the coast. Cast your towel and the MoD radar won't be the only thing picking up naked men!

Edinburgh

Few of the world's great cruising grounds can boast the classy title of Royal Terrace Gardens - a long stretch of landscaped slope and lolling men. And few can claim the nocturnal 360 degree panoramic vantage up Calton Hill, with stars above and the capital's own twinkling lamps flickering away beneath.

Torquay

There's nothing retiring about Torquay, undoubtedly the heart and soul of the "Gay English Riviera". Its compact scene nestles between palm-clad hills and a harbour warmed by sub-tropical winds, wafting gentle gay male mariners in from as far as Exeter and poor Plymouth. In summer, drop your kegs and let it all hang out at Petit Tor, a nudist beach with men-only area just north of town. Or there is year-round cruising along the paths above Meadfoot Beach, but watch out for the tides and dodge the cliffs.

Glasgow

Scotland's largest and most vibrant city: or so it says on the tin. What Glasgow may lack in the sheer grandeur and pageantry of rival Edinburgh, it more than makes up for with raw energy and friendliness. If you like to "take airs" you might fancy the twenty minute stroll west to Kelvingrove Park up by the Uni, especially around the lake. Reputedly safe, and with more than its fair student share!

SPEAKING OF BAREBACK VIDEOS

When it comes to dirty videos, nothing's hotter than bareback... or so sales figures tell us. Porn featuring guys fucking without rubbers is taking up more and more shelf space at many adult stores - and men are buying it.

But the 'topic' is a hot - and controversial - one, too. As one middle-aged gay man confesses, "There's a vicarious thrill in watching someone else take cum up the butt, even though I wouldn't do it myself. But I feel guilty watching."

It's no secret that in many places, increasing numbers of queer men are deciding that barebacking is worth the risk of HIV infection. Or, if they're already HIV-positive, they're ignoring medical evidence on the dangers of HIV re-infection and infection with other STDs. From a public-health standpoint, or by community standards, that may be reckless and wrong. But from a libertarian viewpoint, if consenting-and-foolhardy adults want to bareback, that's their right, right? Well, maybe…

In any case, things are a bit different when it comes to sex videos. After all, porn stars are sex workers who've been hired, in a way, by the guys who buy their videos. And, as porn reviewer John Karr asks, "Is it okay to pay guys to take risks that we ourselves wouldn't? Just for our amusement?"

Most observers think that the majority of guys making sex videos - especially bareback porn - are already positive. So if two HIV-infected men decide to bareback for the camera, where's the proven harm? "Porn's not just entertainment, it's education, too," Karr continues. "I don't want young gay men to be taught that there's nothing wrong with unprotected sex."

Others feel the same. A number of reputable video companies refuse to make bareback videos. Some won't even hire actors who have barebacked in other companies' titles, or they require their stars to foreswear fucking raw.

Others are less doctrinaire. Porn distributors sometimes get around the controversy by offering only "pre-condom" barebacking scenes in videos made before the early 1980s. (Though, unlike today's crop of barebacking vids, older porn generally didn't feature and fetishize guys taking loads; in fact, external "money shots" were the rule.) And one guy who runs a niche video company says, "I only sell a couple of barebacking titles, and the men in them are couples who are negative and have unprotected sex with each other, anyway."

There's no doubt that most of us - except for a few latex fetishists - prefer the sight of an unwrapped dick to a condom-covered cock. Even the way condoms are usually 'put on' in videos, magically appearing between a close-up cock shot and a middle-ground view of penetration, suggests that the rubber is a necessary evil. And, sure, for most of us, it is. For some, the absence of condoms in porn puts the epidemic out of sight and out of mind. But for others, just watching barebacking will bring up issues.

"I watch porn videos to escape," says one guy with quite a collection. "But when I see two guys having unprotected sex, it makes me focus on the epidemic, and that's a big turn-off. Sure, I'd love to have loads of jizz dripping out of me, and sometimes I fantasize just that. Videos aren't just fantasies, though. They're records of real men having real sex."

In the best of all possible worlds, we'd all be able to toss our condoms in the trash. But, sadly, rubbers are a fact of life. And they can be lifesavers. It's edgy enough to profit from purveying unprotected fucking, but it's even more dubious when bareback videos explicitly eroticize the risk. As one anti-HIV crusader puts it, "Believe me, I'm not a prude. In fact, I'm kind of a slut. I just want guys to be safe, if for no other reason than that they'll be around for me to have sex with."

From erotic art to rear-end zips, QX-Men's own home-grown whore, Adrian Gillan, serves up a hot and bubbling alphabet soup of simple yet practical ideas to try out in your own abode!

A-Z of Homemade Sex

Part 1

(a) **Art**: From well-hung paintings to even more well hung statues, nude male art is definitley the new gay porn! Treat yourself - www.adonis-art.com!

(b) **Butlers, Slaves & Workmen - uncovered**: Hire a naked butler (www.butlersinthebuff.co.uk) for that special night in. Many posher slaves will do this for free anyway - if you lay on the stuffing. Or for something more down-market: hire a nude cleaner to clear up your mess afterwards!

(c) **Cat Flaps**: A cat flap; or a small, two inch-wide hole - covered when not in use - drilled at waist-height in any windowless external door around the back: both make excellent, anonymous Glory Hole set-ups. Leave the side gate to the rear yard open for your horny drop-by sucker! Or - if no route around the back - drill your hole into a lockable, internal door that leads into your front hallway and lure them in. Or - if **really** daring - try the letter slit in the front door of any half-sheltered porch!

(d) **Dungeons & Darkrooms**: Son, what's in that room you always keep locked upstairs? Worth hiding from relatives round for Sunday lunch! Room 69: that erotic inner sanctum and private playroom - sound-proofed and painted black, with a red half-light, and lots of slings and things.

(e) **Eat Your Greens**: But hold some back for a tasty, kinky kitchen! Women have long known the erotic delights of fruit and veg but life's a bowl of cherries for fellas too! Try screwing the lubed-up inside of a freshly-peeled banana skin or a moist honeydew melon with cock-shaped hole scoured out; or take a well-washed 'n lubed condom-covered carrot or cucumber up the rear! See Queer Masturbating Devices below.

(f) **Floors**: The harder and colder the better sometimes, especially when you need a good sound pounding. Likewise, never underestimate the walls (see Self-Sucking below) – leave some bare.

(g) **Gardens**: As with your homemade Glory Hole (see Cat Flap above), guide men in by mobile around the side gate and cruise them in the leafy bushes. All the fun of the park but in your own backyard. Mind the pond, and - as ever - beware.

(h) **Hands On**: Massage always soothes best at home - with soft music, baby oil and hot pair of hands.

(i) **Internet & PC**: Couldn't explore homemade sex without mentioning the old PC - you can't exactly download your favourite porn or rig up that wank-cam in a cyber caf now, can you? Ah, chat rooms: like ordering a pizza - and not always what it says on the lid!

(j) **Jets of water**: From bidets to douches - great when played up arse or across a swollen bell-end!

(k) **Knobs**: What **else** to do with your four bed knobs apart from getting yourself tied spreadeagled across the matress sunny side up - or down? Beware complete strangers!

(l) **Local Parks**: So under-used at nights! Alright, not quite home, but a good place to rig some summery fun with hot guys off the web or phone line when friends are staying and you don't fancy a trek. As ever: watch out!

Caution: Safety is paramount. Always watch out for dirt, dust and rough edges about the house; and apply common sense when hosting strangers or tying things up or pushing things in. QX-Men takes no responsibility for sexual mishaps within your own home or grounds.

Improvise: From sofas and studies to tables and stairs! Naturally, QX-Men can't visit all your homes to give our personalised homemade sexual make-over, so have a wander round with fresh eyes yourself when next home alone and dream up some scorching summer dazzlers.

Real Men from Bruno Gmunder available at Clonezone, Prowler and all good bookstores

BOYS NEED NOT APPLY

Porn actor, model, fashion designer and photographer – these are just a few of the many varied talents of Ray Dragon. After becoming famous through his films with Titan Media and COLT Studios and being photographed himself by such well-known photographers as Jim French and Tom Bianchi, Ray Dragon discovered his love for photography, which shines through in this collection of his work an explosion of erotic photography for fans of real men.

We're always up for trying something new. So when we heard of a couple of new bum products in town we dropped our slacks and got to work - all in the name of research.

LUBE ME UP...

"Not another lube!" We hear you cry. Yes, but one with a definite difference. LUBExxx Men's Only lube has been developed with your homo hole definitely in mind. It's a formula which captures the qualities of both waterbased and silicon equivalents. It's super slippy, long-lasting and most importantly 100% condom safe. **LUBExxx comes in travel sized 50ml and 150ml flip top bottles.**

...EASE IT IN

No matter how hard you try sometimes you just can't get your ring to relax. Well most of us do. We saw you looking puzzled you slack old mare. For the rest of us, here's a little miracle in a spray that will help slacken that hoop.

Mr Ease is a fast-acting herbal formula that when sprayed round your ring sets to work to relax the area. Now we're not talking numbing the area like a delay spray on your cock. This means you'll still get the usual sensation and pleasure of taking it. By relaxing your hole it means you'll be able to take more without cramping up...sounds good to us. The spray is also condom safe so no problems when the rubber slips in.

LUBExxx Men's Only and Mr Ease Anal Spray available from Clonezone & Prowler stores.

WEAPONS OF ASS DESTRUCTION

Bush and Blair may not have found any in Iraq but we know where they've been hiding all along, and that's at CloneZone. If you're looking for a little (and not so little) something to stretch your hole then you can't do any better than get your ring around a Domestic Partner toy.
There's the petite Private Benjamin 4½" dildo all the way up to the 21½" high and 6" across Weapon of Mass Destruction. You may look suprised soldier - now bend over! Included with your plastic fun is a dogtag to complete the military look. In our opinion you need a medal for the big one!
Prices from £12.95 to £155.50. Available at CloneZone

Pillow Talk

PRODUCTION: **Bel Ami**
DIRECTED BY: **George Duroy**
RUNNING TIME: **111 mins**

Pillow Talk is the first of what looks to be one of Bel Ami's best series to date and stars Josh Elliot, Marc Vidal, Ethan Clarke, Tommy Hansen, Danny Saradon, Brandon Manilow and many other Bel Ami beauties. The film exposes the boys' most intimate secrets in the most physical way. It also explores their sexual talents - from gentle love-making to passionate, hard fucking!

Marc Vidal has the enviable task of training new boys in Prague; he's one of the lead trainers of the Bel Ami academy, where young studs are trained to be Bel Ami stars. Fans will know Marc as a raging top, but surprising, in Pillow Talk, he gets rooted on camera for the first time and spunks like a fountain while being shafted!

Not one to disappoint his fans though, Marc shows off his 'topping' skills on the lucky Josh Elliot. These two sex-gods have amazing chemistry - you won't need your remote for this scene! We're also treated to the lovely sight of naked Danny Saradon and Renato Amoroso. They are soon slurping on each other's prodigious pieces of man-meat. Danny's luscious arse soon proves too tempting for Renato and he's soon balls-deep in Danny's perfect pucker. These Bel Ami men love ploughing each other in some of the most passionate scenes in porn. You won't be disappointed!

'Pillow Talk' is available from Prowler and all good licensed sex shops.

LOVE FOR SALE

The Lesbian & Gay Foundation on paying for sex and the support available for those who sell.

TAKE A LOOK AT THE BACK OF MOST GAY MAGS THESE DAYS AND YOU'LL FIND ADVERTS FOR MEN WHO SELL THEIR SEXUAL SERVICES.

Hot looking guys who will cater to your every whim at your complete disposal (for a mutually agreed hourly rate) they are professional, courteous and always horny. You can hire a guy online or use a Male Escort agency if you can afford it but there is another side to selling sex and it isn't nearly as glamorous as it seems. On the fringes of most large UK cities you'll find young men working the streets in search of 'business'.

Many lads start at a very young age either looking for friends, fun, or just needing to get away from a life which may see them in care or homeless. Selling sex often seems like an easy way to make money. Many lads don't get a kick out of the sex they have and don't define themselves as gay or bisexual it's just a quick way of making money either for food, drugs or some kind of independence. It may be easy to get into this kind of work but it isn't easy to get out of.

Many men who sell sex find it impossible to have sexual relationships other than for money. It's hard to believe that someone could actually be interested in you as a person and not just as a piece of meat for hire. What happens to the lad on the street when he gets too old or wasted to attract the punters?

The psychological effects of selling sex are just as disturbing as the sexual health risks that many young men take just to make a few quid. A recent story that hit the headlines involved two men in the North of England who were jailed for grooming a 14 year old boy for sex and selling him on to be abused by other men. This is not uncommon. There are some really nasty people out there and you need to know who your friends are.

Fortunately there are projects up and down the country that are trying to meet the many different needs of these very isolated and hard to reach guys. Without judging them or getting the police involved many agencies provide a haven to sex workers where they can report dodgy punters and get advice and support.

Prostitution is legal in England and Wales but the main aim of the law is to keep prostitution off the street. It is still illegal to solicit in a public place, so guys who work off the street aren't as a priority to the police as long as they keep their activities low key, avoiding unwanted attention. The links below have some excellent information on how to look after yourself if you work either on the streets or independently from your own home.

Check out our website www.lgf.org.uk and download a copy of "The Good Escort Guide" a guidebook for working lads everywhere.

UNPROTECTED SEX

We're both living with HIV, so what's there to worry about?

More and more gay men living with HIV are catching Hepatitis C

You can catch Hep C from infected blood

Gay men living with HIV may be more likely to pick up and transmit Hep C from unprotected sex

Having untreated STI's make it more likely you could pick up Hep C

Testing and treatment for Hep C is available at your HIV/GUM clinic
