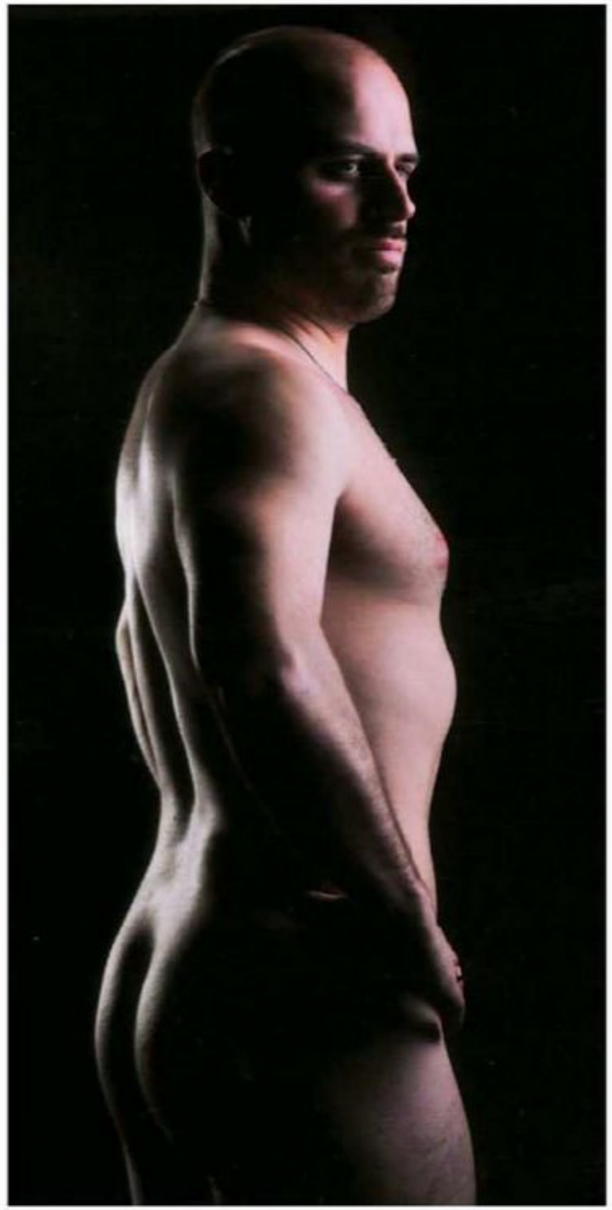
# Amateurs Exposed!

We're keepin' it real! Ron Jeremy got his start in this amateur section in October 1978. Who's the next great member of the club?

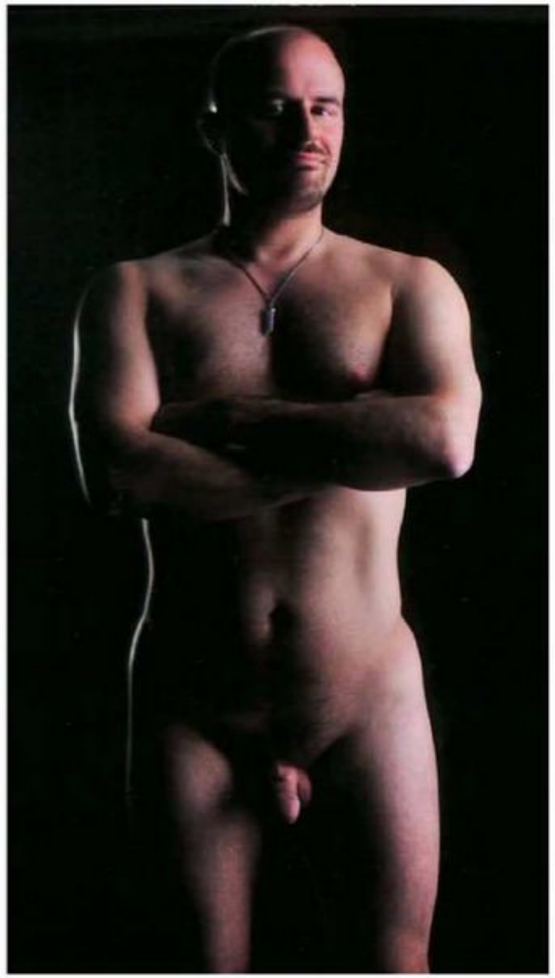
writers Liz Nadybal and Jillian Rios



## David Campano

Hometown: Schenectady, NY
Age: 38 Height: 5'8" Weight: 140

This self-proclaimed "good-hearted eclectic" loves to read, work out and... balance his checkbook? "Brain activities reign supreme," David says. At the tender age of 2, he ripped off his diaper and referred to himself as "The Naked Fox"—a name that still stands. We love that his eagerness to rip off his clothes has also stuck, leaving us to fawn over his manly assets.



## Osiris

Hometown: Seattle, WA
Age: 46 Height: 6' Weight: 215

Attention, single Playgirls! This competitive body-builder is on the lookout for a woman who is "like the sunrise, warm and like no other" to share a glass of wine and good conversation with! Osiris enjoys sketching, yoga and writing poetry. We love a brawny man in touch with his spiritual side.

## Kevin Newby

Hometown: Newport News, VA
Age: 26 Height: 6'4" Weight: 185

When a full moon eclipses in Pisces this month, watch out for this avid astrology- and astronomy-loving hunk. Kevin enjoys playing basketball, football, and "whatever position a woman likes." This single guy, when not playing sports, can also be found reading up on ancient history. Why not let him be the Caesar to your Cleopatra!

# Mike Bolling

Hometown: Boone, NC
Age: 34 Height: 5'9" Weight: 146

Mike surely has us standing at his attention. Yes sir, after serving six years in the Marine Corps, this former Sergeant now installs tile, marble and granite. When not working hard, he enjoys boating, fishing and nude sunbathing. Bad news for the single ladies looking for someone to get down and dirty with on their newly installed kitchen tiles: He's married.

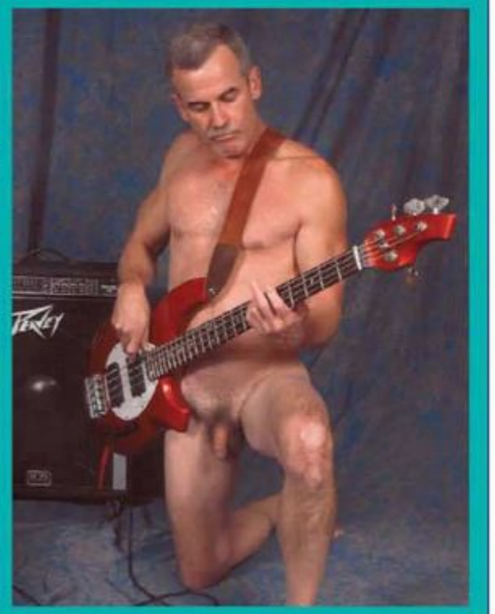
# Real Man of the Month

## Tim Powers

Hometown: San Jose, CA
Age: 50 Height: 5'10" Weight: 150


This DILF has us all wired! Tim, "a proud single father," works as an electronic technician by day and plays bass guitar at night. Employed at an electronics manufacturing firm in Silicon Valley, he loves being "in the mix."He once batted a .462 for his little league baseball team, and we're willing to bet he's still got a few home runs in him. We officially crown Tim "Real Man of the Month." Welcome to the club!
