MANIFEST MEN

Vin Marco [*Playgirl* Cover and Centerfold, January/February 2008] modeled for two years before founding Manifest Media with business partner Alexander Sulaco. Vin Marco serves as the public face of Manifest, co-producing all video content for three Web sites owned by Manifest Media. His charisma and experience as a model are extremely valuable as the primary scout for new talent. Vin Marco is also now the primary photographer for all Manifest Media websites and products.
