A master of seduction meets his most willing student yet...

taking kyle

STARRING ARPAD MIKLOS & KYLE LEWIS PHOTOGRAPHS BY UNZIPPEDVIDEO.COM

Arpad knew instantly Kyle was more innocent than he appeared just by looking into his eyes. "I can show you things," Arpad had said. "I can teach you things."

Arpad let Kyle explore his body slowly. Kyle wandered over the furry territory like a man discovering a new frontier. He stared in awe as he pulled down Arpad's underpants and Arpad's enormous cock sprung upward, full of blood and pulsing with need. "Now," Arpad said, "put it in your mouth."

Kyle gripped the thick, fleshy tube in both hands and massaged it gently. He pulled the foreskin over the mushroom head of Arpad's cock and stuck his tongue into the folds. Arpad held Kyle's head and moaned his approval.

Slowly, Kyle enveloped Arpad's tool with his moist mouth and took as much of the meaty member down his throat as he could. "Good," Arpad sighed. Arpad gradually began humping Kyle's mouth and soon enough, three quarters of his cock was disappearing down Kyle's throat. "Looks like we've got ourselves a natural-born cocksucker," Arpad whispered.

When Arpad finally got Kyle out of his pants, he smiled and kissed Kyle deeply. "You've been holding out on me," he said. "What do you mean?" Kyle asked.

Arpad took hold of Kyle's own huge cock and gave it a squeeze. "This," Arpad said. "This big, beautiful dick is what I mean." Kyle beamed, proud that Arpad thought his cock was impressive. Arpad kissed his way down Kyle's firm, smooth chest, smiling to himself as Kyle played with his furry ass. Arpad looked up at Kyle as he licked the soft pubic hair at the base of Kyle's tool. He inhaled Kyle's scent and let out a sigh. Arpad ran his tongue up and down the long, hard shaft. He waited to see if Kyle would sink a finger into his warm hole. Finally, he felt the poke. It was his cue to expertly work over Kyle's cock with his mouth, lips and tongue.

After nearly shooting his load three times, Kyle could take no more of Arpad's heavenly mouth on his heavily-leaking faucet. He didn't want to come yet. Not until this sexy beast fucked the living daylights out of him. "OK," Arpad said firmly. "Now I show you how to rim."

Kyle had never rimmed before; but just the thought of it made his dick stiffen. As soon as Arpad lay down on the sofa and exposed his furry butt hole, Kyle dove in between his cheeks and licked away. "Do it in waves," Arpad instructed. "Slow at first, than faster, than slow again. Sometimes dig in deep, like you're trying to fuck it with your tongue, sometimes brush against it gently. Always keep your tongue moving."

Kyle did as told, and was rewarded with Arpad's deep, loud groans of extreme pleasure.

"I think you like this," Arpad said as he watched Kyle work his asshole over with his tongue and mouth. Kyle nodded, a twinkle in his eyes. "Then I think I should do it to you," Arpad said, "so you know how good you've made me feel."

Kyle couldn't believe how good it felt. Back when he'd dated girls, none of them had ever done this. This was more intense than anything he'd ever felt before. His body shook, goosebumps erupted on his arms and legs, his cock shot up as if pulled by an imaginary string. *This*, he thought, his head spinning, his knees weak and his muscles spasming, *feels fucking amazing*! He let out a loud moan and sunk further onto Arpad's invading tongue.

Of course, he had no idea that Arpad had saved the best for last…

"I'll go in slowly," Arpad whispered into Kyle's ear as his massive cock poked at the entrance of Kyle's virgin ass. "Then I'll let you take over." Inch after inch disappeared into Kyle's rectum, and with each thrust, Kyle felt his body tremble with a pleasure he'd never known. He was completely consumed by the feeling of being fucked. He was in heaven. Finally, a breath. "Don't..." Kyle started, Arpad grunting beneath him, groping him with his big paws. "Ever..." he continued, Arpad thrusting in deeper. "Stop..." Kyle groaned, feeling his ass open for even more of Arpad's dick. *There was more? Yes. More!* "Fucking me..." he finally finished.

vanilla

Rocco & Jason in a spoon-fed frenzy
photographs by Satori Studios

When Jason said he had an "ice cold treat" for Rocco, he didn't know what he meant.

"No, seriously," he said, poking around in the refrigerator. "You want some ice cream?"

"Oh. Um, yeah—vanilla," Rocco said.

"But vanilla's so boring," Jason replied.

"It doesn't have to be boring," Rocco said with a smirk.

Jason grabbed the container marked "vanilla."

"One scoop or two?" Jason asked as he grabbed a bowl from the cabinet.

"Two," Rocco said, licking his lips. "Ice cream makes me horny."

"You dork!" Jason laughed, dishing out the desert. He handed Rocco the bowl and went back to the refrigerator. "Ice cream can't make you horny."

"Depends on what you do with it," Rocco said, digging in. "Don't you want to try some?"

"Nah, I don't like vanilla," Jason said, squinching up his face.

"You should try it—it's good. Promise," Rocco remarked.

"Try this!" Jason countered, grabbing his crotch. They both laughed.

"You wish," Rocco muttered under his breath, spooning another chunk of ice cream into his mouth. He looked up at his pal, who was back in front of the open fridge. "Hey, c'mere," Rocco said, and handed Jason the bowl. "If you take a bite, I'll take a bite," he said, eyeing Jason's crotch.

"OK," Jason said, and instead of taking a bite himself, tossed it into Rocco's slightly-open mouth. A dollop of ice cream slid down Rocco's neck and onto his chest.

"Shit, that's cold!" Rocco yelped. He went to push Jason back but his hand landed right on his friend's dick. Rocco could make out the firm flesh beneath Jason's pants. His buddy was hard.

Jason leaned down and licked Rocco's lips.

"OK," Jason whispered, "now it's your turn…to take a bite." Jason sat back and moved Rocco's hands up to the button on his jeans. He helped Rocco undo his fly and push down his pants and underwear. Rocco saw the root of Jason's stiff cock and shivered. It looked big. Really big. He leaned in and licked the neatly-trimmed pubic hair above the shaft. Now it was Jason's turn to shiver.

"Yeah," Jason sighed. "Feels good, man."

Rocco let his tongue trail along his buddy's hard dick until he got to the swelled head. Slowly, he took it in his mouth and swirled his tongue around it. Jason grabbed Rocco's head and pushed his cock in as much as he could.

Rocco sucked on his buddy's tool voraciously. He'd been wanting to do this for a long time. And not just this; he wanted to taste all of his friend.

"Turn around," he said, and as soon as Jason complied, Rocco parted his pal's perfectly round rump cheeks and took a taste of his butthole. Then another. And another. He loved the feel of the silky-soft hair that grew in Jason's crack against his wet mouth. He nipped at the hairs and Jason let out a soft, slow groan.

"Tastes like…" Rocco said, pausing to let the taste sink in, "vanilla."

"Fuck vanilla," Jason laughed, "and fuck you." He turned around and hoisted Rocco onto the table. He slapped his hard cock between Rocco's butt cheeks. "Think you can take all this?" Jason asked, rubbing his hard-on over Rocco's pink hole.

Rocco smirked and replied, "Stick it in and find out."

"Tastes so good..."

"Yeah, stick it in..."

"Want another serving?"

as "the Coach"

They're going head to head!

UNZIPPEDVIDEO.COM

Coach gave his boxer a serious looking-over after the fight. His boxer had gotten beat and his spirits were down. But Coach was optimistic: "You'll live," he said. "Nothing that can't be shaken off after a good blow job."

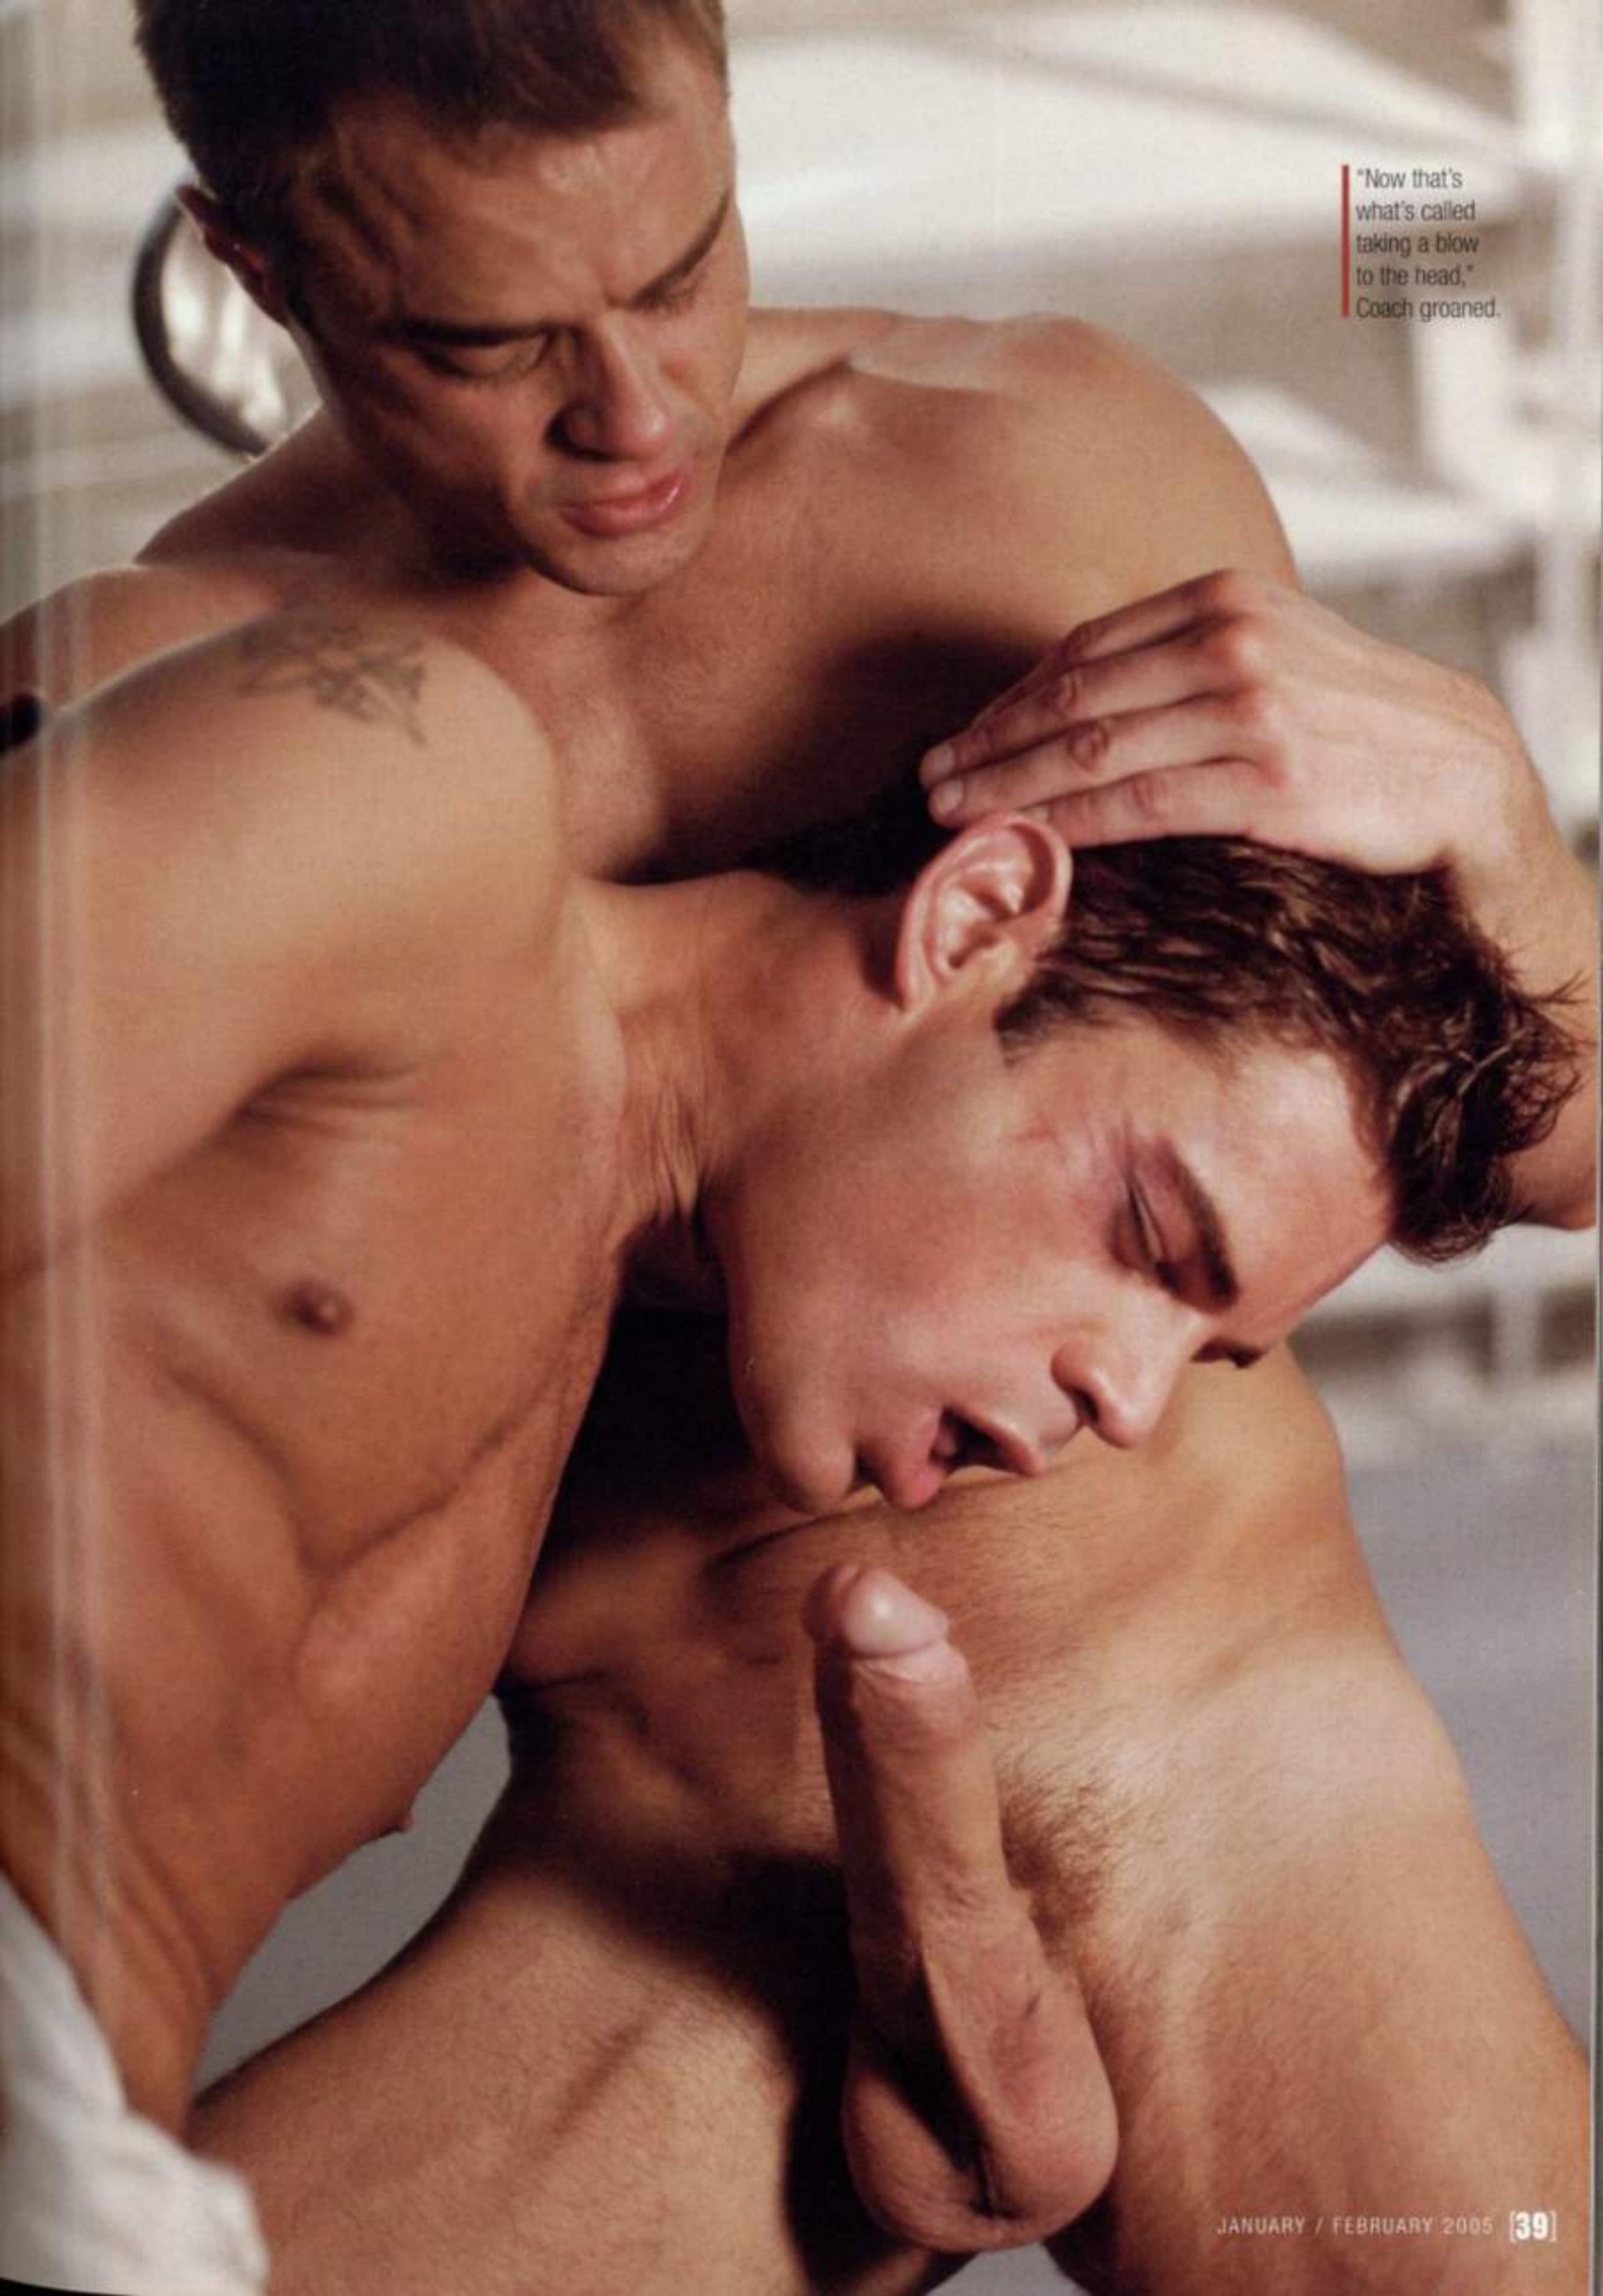
"Geez, coach," the boxer said as he grabbed Coach's bulge. "You sure got a big dick."

"Suck it like a champ," Coach said.

"Even though I lost?" the boxer asked softly.

"Even though you lost," Coach replied.

The boxer always knew deep down that he was a lover, not a fighter. Finally, he'd have a chance to prove it. And he wanted to prove it to his coach too. So he took hold of the large piece of meat in front of his face and swallowed his coach's cock whole, all the way to the root, without gagging. It wasn't easy; his coach sure did have a big dick.



"Now that's what's called taking a blow to the head," Coach groaned.

"Ever been kissed down here before?" Coach asked, pulling apart the boxer's butt cheeks.

"No, sir," the boxer replied. "It sure feels good though."

The boxer was in ecstasy as Coach worked his butt hole over. "Now that's one prize-worthy ass," Coach sighed as he probed and prodded the boxer's beautiful behind. "Real tight, too." Coach spread the boxer's pink rosebud apart wide. He could hear the boxer breathing really heavily. Coach reached around and groped the boxer's basket over his jockstrap. The boxer was hard as a rock. "You're a virgin, ain't ya?" Coach asked, but didn't wait for an answer. "Yeah, you are. I can tell. What you need is a big man cock up that tight fuckin' hole of yours."

Before Coach got into the boxer's tight tunnel, he wanted a little servicing of his own. "Get in there and clean me up real good," Coach said, pushing the boxer's head into his crack. "Stick your tongue up in it."

The boxer lapped at the bubblegum knot tentatively at first, but was soon digging in like he was in the ring. He was surprised by how good the coach tasted.

Coach smiled into the eyes of his fighter, who was turning out to be a very good lover indeed. "Now," the Coach started, pushing his big, thick tool between the boxer's thighs.

"Now you gonna fuck me?" the boxer asked. He sure wanted to get fucked.

"What do you think?" the Coach replied.

It felt so much better than the boxer thought it would. "Feels good," he said breathlessly as the Coach slowly slid his fat cock deep into the boxer's tight ass. "Hmmph," the boxer grunted, spreading his legs apart even further.

"That's it," Coach said encouragingly, sinking his shaft deep into the boxer's silky hole. "That's all of it."

They shot their loads onto each other's chests and watched as the white jizz slid down to their groins. The boxer let out a quick laugh.

"What's so funny, eh?" Coach asked, smiling.

"That was the second time tonight I got my ass pounded," the boxer said.
"Maybe," Coach said, standing up and drawing the boxer in close. "But you're still a winner to me."

Craving COCK? 1-800-988-8586 79¢ Min. 18+

Get Fucked Now! 1-900-446-1212 $1.99 /Min. 18+

There was this guy I kept seeing at the club. He looked tough as shit; he was all, like, don't-fuck-with-me attitude and cocky glances. His head was shaved, he had a few earrings and from what I could tell, a couple tattoos as well. I knew I was gonna get into his pants, it was just a question of when. "There's no time for fucking like fucking right now," the bartender said as he handed me another beer. Fucking bartenders—they think they know everything. Course, this guy was fucking right. The cocky bastard. Gave good advice though. "Hey," I finally said to the dude I'd been cruising as he stared me down like we were gonna draw pistols—which, come to think of it, we were. "Hey yourself," he grunted back. "Enough with the fucking foreplay," I spat. "We're doing this right here. Right now." He smirked a god-damn cock-stiffening smirk and said, "Waiting on you, pal." Nice.

Angel & Cory dispense with the pleasantries and fuck

photographs by Kent Taylor

"About time you made a move," he grunted as I stuck my tongue in his ear. "I was beginning to think I was gonna have to give you a manual."

"Wow. You're funny too," I said. "What a surprise. I pulled down his pants and got a hold of his balls. I knew people could see us. Hell, guys were probably jerking off as they watched. I didn't care. I was in the moment, and the moment was all about sucking on his fat dick.

"Nice Prince Albert," he said. I just nodded. Whatever. He grabbed my semi-stiff dick and said, "Never sucked a cock that had one." I snorted, "Now's your chance, buddy."

We took turns sucking each other's dicks. Not that I need to do it in a bed or anything, but it was kinda fucking uncomfortable where we were. Which probably just made it even hotter. "Pull on my balls," he groaned. I did. "Not so fucking hard. Fuck!" he yelped. I laughed. "Shut up," I said with a big ol' smile on my face. He grinned back. "I know what I'm doing," I said. "Prove it," he retorted, still with the shit-eating grin on his face. He really was a cocky bastard. I went back to work on his prick and shoved the whole thing in my mouth.

There's something seriously fucking hot about getting rimmed. It makes your whole body feel alive, tingly, like it's on fire. It makes me shiver too. Sometimes I even get dizzy. And this guy, this guy ate my ass like it was a four-fucking-course meal. No kidding. And the whole time he's just sorta humming to himself. It turned me on like crazy. I was definitely gonna let him fuck me now.

"Spread your cheeks," he growled, all macho and shit. Of course, I did. I would've barked like a dog, had he asked. I didn't care; I got over feeling stupid about sex a long time ago. If a guy wants to fuck me, and I'm into him, I'm gonna let him fuck me. No games. No drama. Who needs it? Just give me some hot, man-on-man fuck-action with a dude who knows how to lay some pipe.

When he pulled outta my ass and said, "My turn," I couldn't fuckin' believe it. He just didn't look like a bottom. I mean, not that you can tell or anything. But this guy...right on. "Damn skippy," I said with a smile, getting behind him and working a finger up his ass to get him ready. "Go slow," he whispered, and I did. He was so tight it was like trying to fuck a garden hose. And the whole time he's moaning and groaning like a mental patient who's missed a dose of his medication. I jerked him off until he came all over his leg, then I shot my load up his butt. I let it slide out real slow, so he could savor the feeling. "See ya here next weekend?" he asked. "You bet your ass," I said. "And don't forget to bring your stupid cocky attitude." He just grinned, pulled up his pants and walked away. *Nice.*

See what develops between Michael & Gary · Photographed by Body Image Productions

He'd never done this before, he told the photographer. He wouldn't have thought anyone would want to take his picture. "Are you kidding?" Gary said. "You're hot stuff." Michael blushed and a smile spread across his face. With each click of the camera, he could feel his dick get a little harder. This was turning

him on. "You look great," Gary said enthusiastically, snapping away. When he'd finished the roll, he said, "Now, let's try something different." "Like what?" Michael asked, trying to subtly cover his ever-growing erection. "Lean back and spread your

legs a bit," Gary said, helping Michael slide down the leather chaise. Gary's cool hand felt good on his warm chest, and Michael's cock bounced. Gary took notice and started shooting close-ups of Michael's beautiful erect cock. Pre-come slowly began to leak out of Michael's cock head and his balls started to tighten up. "I don't know how much longer I can go," the

photographer said. "You out of film?" Michael asked, looking almost disappointed. "No, I mean, I don't know how much longer I can go without touching you," Gary replied. Michael smiled and looked into the photographer's eyes. He reached out and took hold of the photographer's belt buckle. "Let's not make you wait any longer then," Michael said, pulling open Gary's pants and hauling out the old fella's hefty cock. They massaged each other's dicks simultaneously, and explored other body parts with their free hands. "I don't usually attack my subjects like this," Gary begged off sheepishly, "but with you… I just couldn't help myself." Michael gave him a warm smile and thanked him by stuffing Gary's fat cock in his mouth. He could fit maybe half of the tube down his throat before gagging on it. "Easy," Gary said, massaging Michael's scalp. "It's really big," Michael said, licking the head of the engorged penis. "So's yours," Gary replied with a smile. "It's real nice, too. Think maybe you'll wanna stick it up my ass?" Michael squirmed under Gary's gaze. He kissed the photographer and licked his neck up to his ears. "Actually," he whispered, "I'm a bottom." Michael took Gary's ear in his mouth and sucked on the lobe. "So I was kinda hoping you could fuck me," he continued. Gary shut his eyes and smiled. "Actually, I was kinda hoping I could too," Gary answered quietly. He slid both

hands down Michael's muscular back and squeezed his slightly-furry butt cheeks. Pushing him up by his ass, Gary maneuvered Michael so he was straddling his face. He took Michael's large, drooling prick into his mouth and worked his fingers into the hairy crack of Michael's warm ass. He rubbed the sweet hole in the middle with his index finger, and as he gulped down Michael's cock, slid a finger into Michael's moist tunnel. Michael let out a moan and pushed his dick further down Gary's throat. Gary shoved two more fingers up Michael, and was now really working his hole over. "Fuck me," Michael sighed heavily. With his mouth still full of rock-hard cock, Gary looked up into his model's eyes. Michael was staring at the photographer. "Fuck me," he repeated. "Now." Gary let Michael's dick slip from between his lips and pushed the sexy stud down his body so Michael's ass grazed over Gary's chest before coming to rest on his throbbing tool. Michael reached back and guided Gary's dick to his opening. Slowly, Gary pushed into the warm, smooth velvety opening. Michael closed his eyes and leaned his head back. He moaned a long, slow "yeah" as he sank further down Gary's big fuck stick. Gary played with Michael's nipples and watched as Michael's hard cock bounced from side to side with each thrust up into the young man. This was definitely going in the books as his favorite photo shoot—ever.

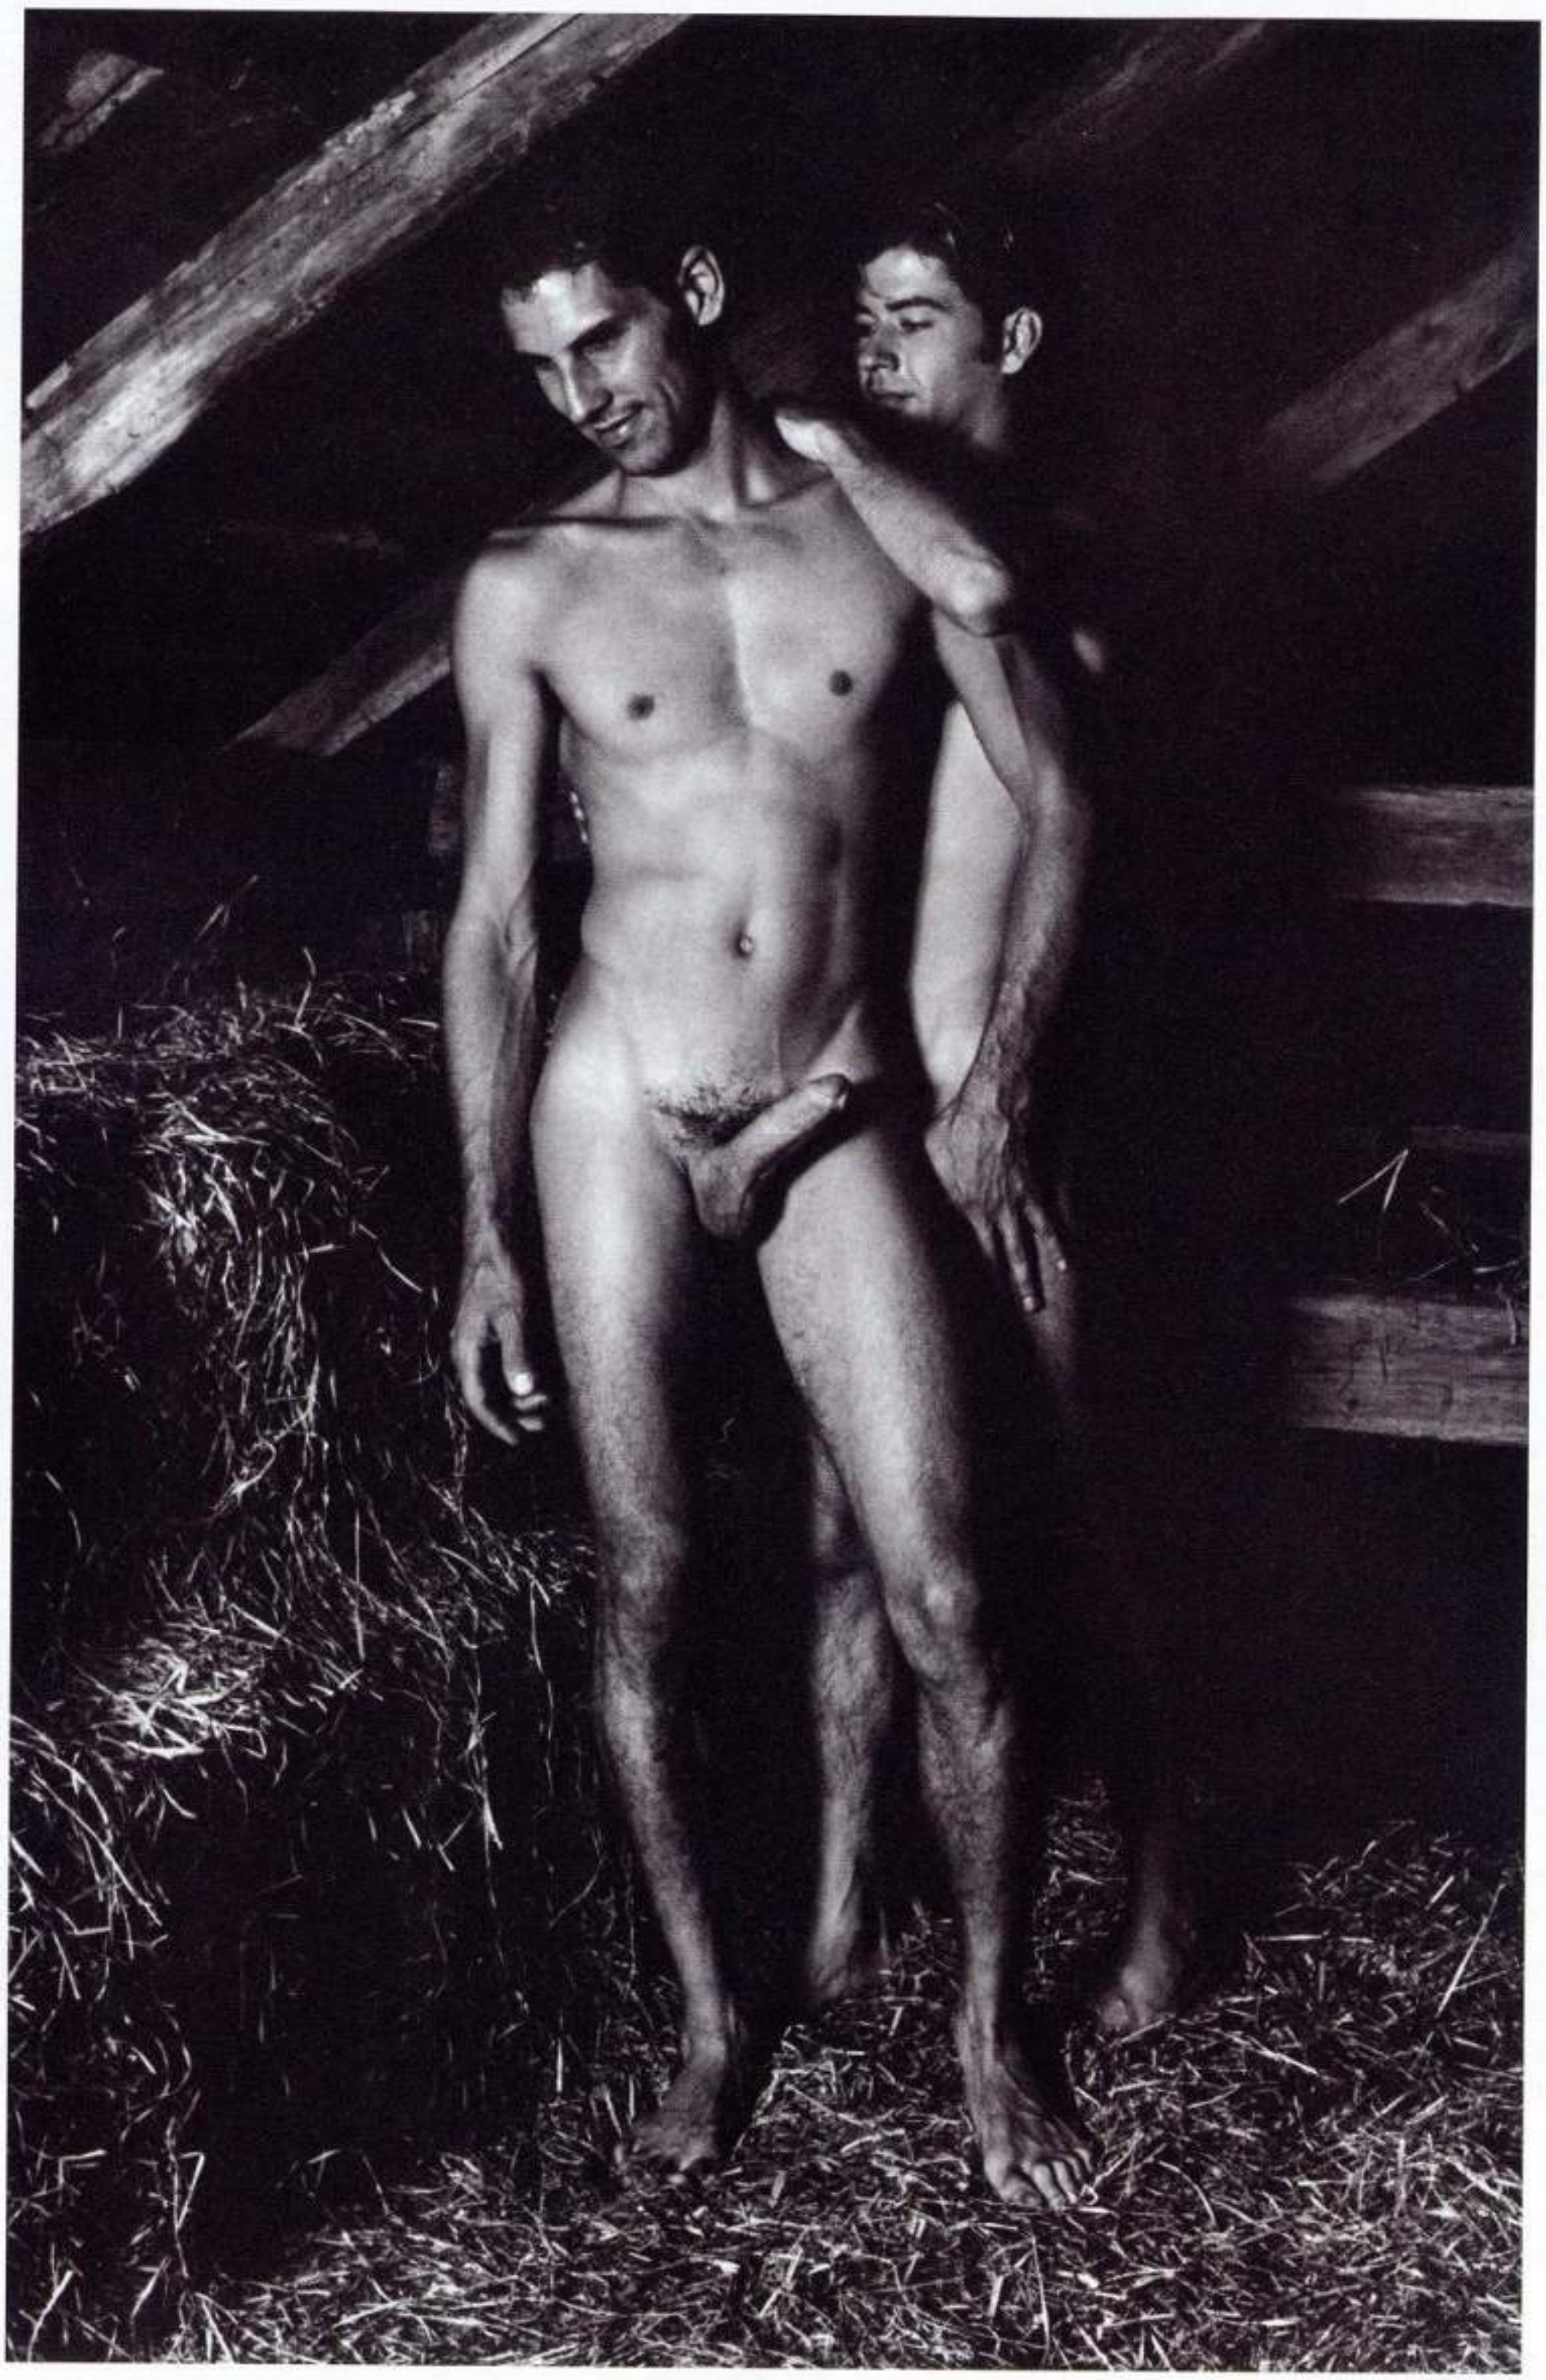
ALL PHOTOS COURTESY TOM WATKINS



"Photography was part of my life from the start. If I wasn't behind a camera, I was usually in front of one." —*Tom Watkins*

Q&A

When did you begin taking photographs?
Around 1981.

Are there any photographers whose work you admire or who have inspired your work?
Paul Strand, Diane Arbus, Dorothea Lange, Robert Mapplethorpe and Sally Mann.

Tell us about the guys in these photos. Who are they and where did you find them?
Jason and Kenn are from the heart of Pennsyvania Dutch country near York, Pa. Jason contacted me about modeling, and when we met up for the shoot Kenn was with him. So I asked if they'd consider modeling together, and they said sure. What appealed to me was they really are a couple and their interaction was genuine.

What do you like about photography that you don't get from other art forms?
Spontaneity.

What is it about nude men that fascinates you so?
Their eyes.

Do you think that who you are reflects what you shoot?
I tend toward shadow and random blur, which may approximate my personality.

What do you think is the difference between art and pornography?
I'll let the folks in the Red States worry about this.

If you could shoot any person, living or dead, naked, who would you want to shoot?
