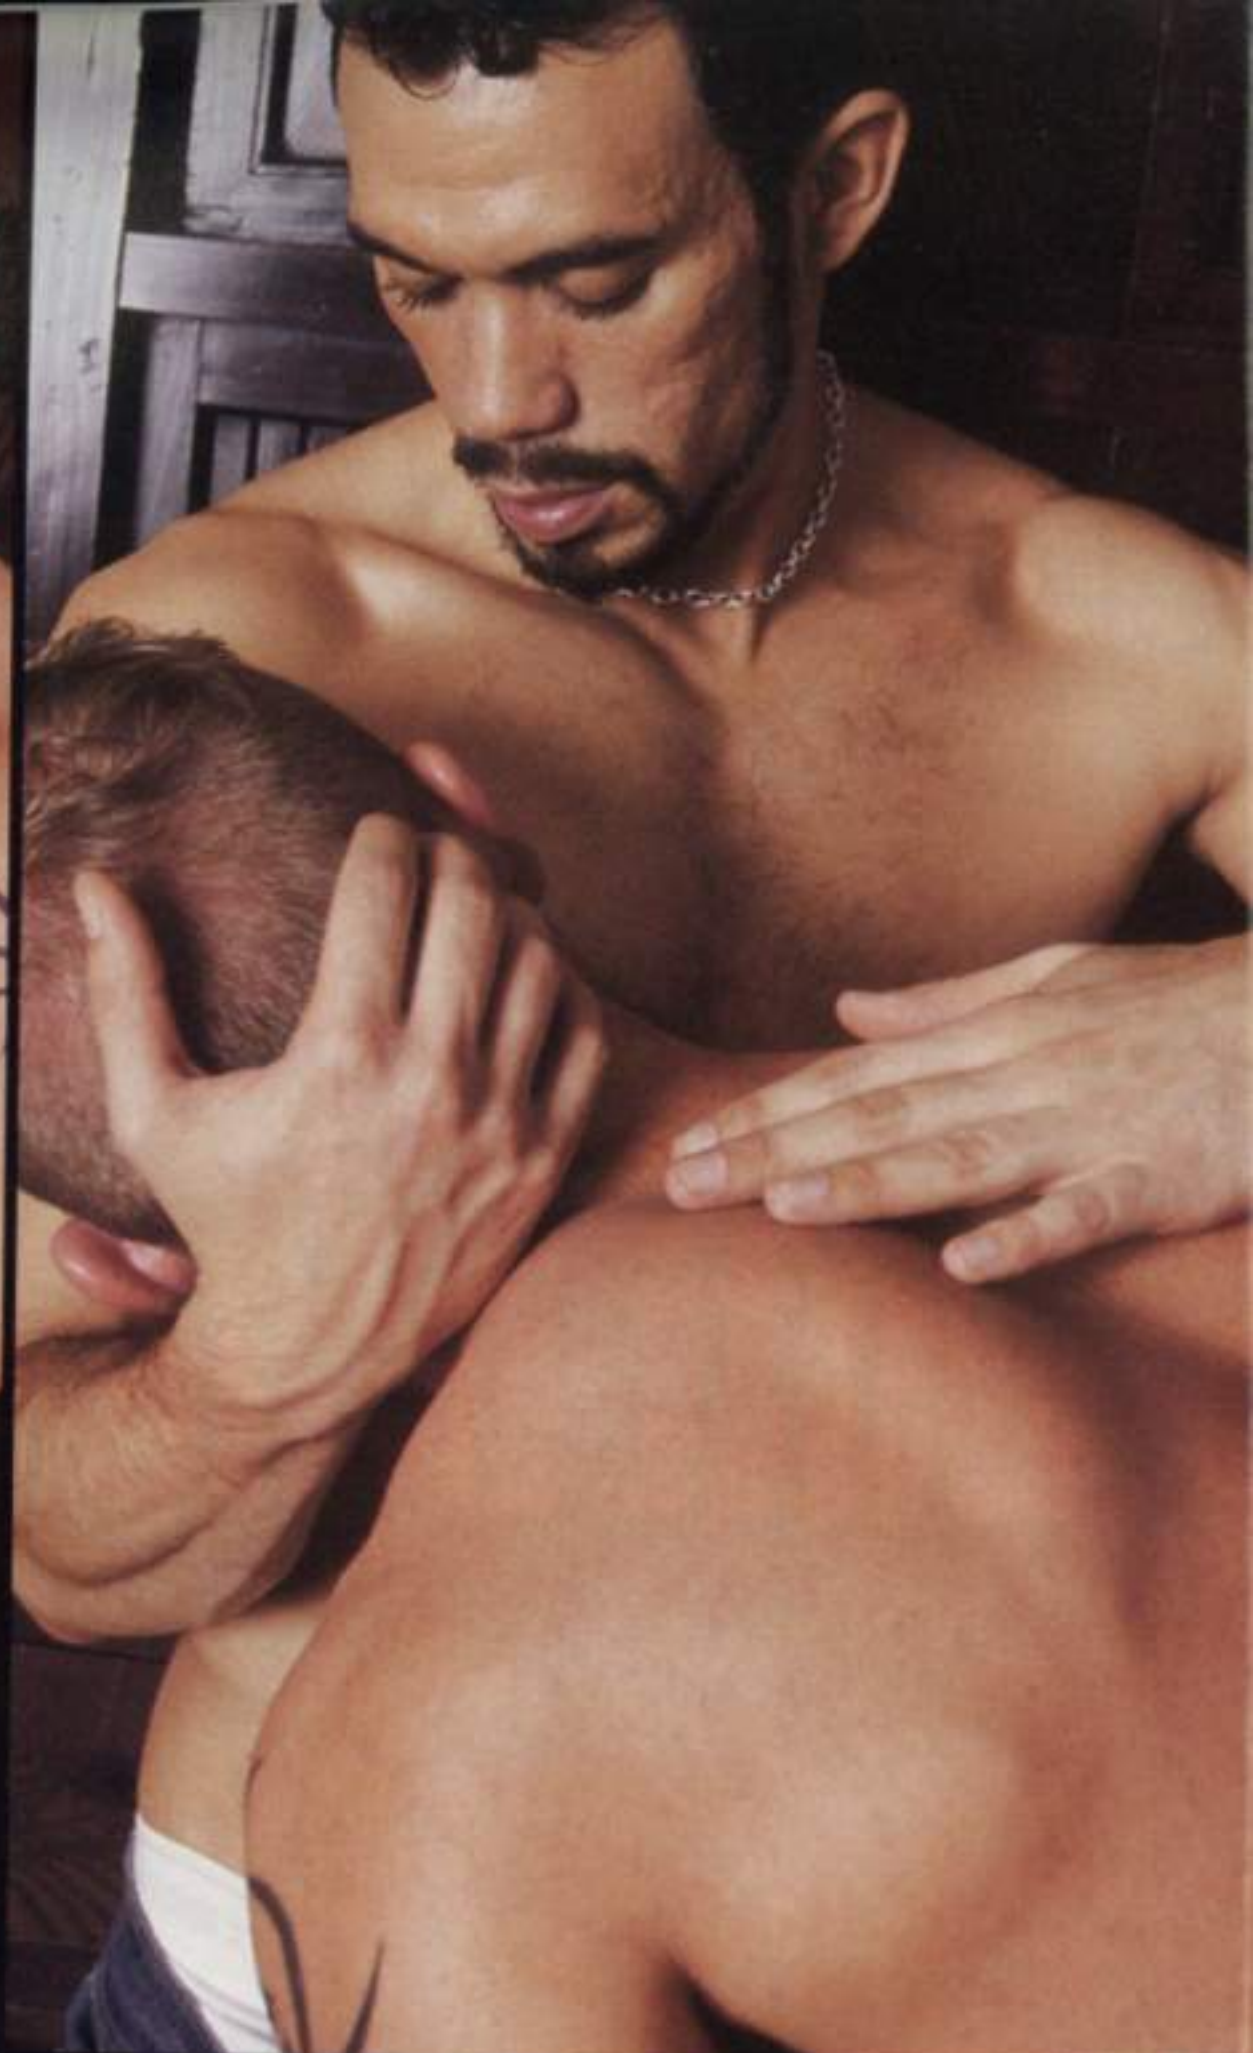
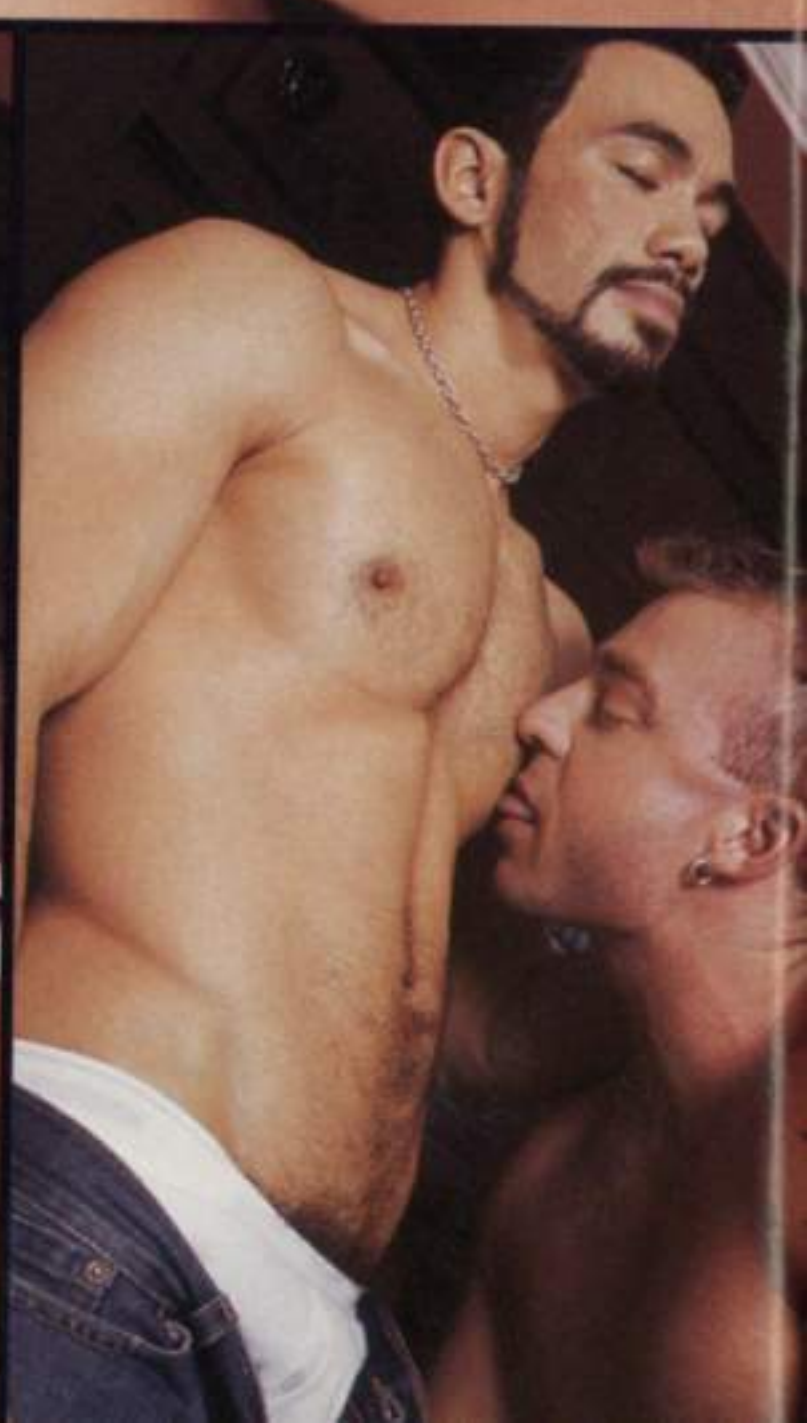
butt hole burglars

Brendan Austin & Tony Serrano photographed by Kent Taylor





"Wanna fuck?"

Of course Tony had to be horny now. Although why I was surprised I don't know; he was always horny. Especially when we were on a job. "They're gonna be back in less than an hour," I said, not even glancing up from the circuit breaker box. "Then we'd better hurry," he growled, undoing the top button of his jeans and spanking my ass. "Oh, for fuck's sake," I said, dropping my flashlight and reaching for Tony's fleshlight. "It's a good thing you're so fuckin' hot, you know?" His crotch was already bulging as I slid my hand down his pants.

Tony's cock throbbed

as I gnawed on the head of it. His long, fat member poked me in the eye as I slid my tongue down the length of it before settling into his nut sac. I took a big whiff. He smelled ripe. "Nice," I muttered, lapping at his droopy ball sac. He groaned and pushed my head deep into the pit of his groin. I licked at the skin where his balls met his legs, and he shuddered.

"More," he moaned, and guided my head back to his prick. While I sucked the head between my lips, my hands roamed over his ass. Every time I pulled his cheeks apart, he pushed his butt out, inviting me to take a poke at the sweet spot between.

"You want me to fuck that hairy ass, don't you?" I muttered, more a statement than a question. He just moaned in appreciation as I dug a finger into his tight, sweaty fuck hole. With each push further up his rectum, his cock seemed to plump itself up even more. "Yeah, well, I'm gonna." But first I needed a taste of his back door. "Turn around," I ordered, and he did. I spread his butt apart, blew on his pucker hole, which responded with a few quick winks, then stuck my tongue right up his chute.

"Oh, goddamn fuckin' right!" Tony grunted loudly as my slippery tool snuck into his dark, stinky hole.

I thrust in deep

straight away. There was no time to be cordial. He was gonna take it all, or he was not gonna get any. "Woooh, yeah!" he cried as I slid in and out of his furry ass. I pounded him with long, deep thrusts, my pelvis smacking the tops of his cheeks with every push inward. His cock hung heavy between his legs as he sank onto all fours, pushing himself back onto me every time I thrust in. I reached around and jerked him off for a bit, waiting until I could feel his balls getting tight—then I let go. He just grunted and groaned and begged for more.

"Suck it,"

I cooed as we finished up in what looked like the upstairs study. Tony had shot his load all over his chest after I flipped him over and fucked him on his back right down the hallway. I made him eat his own sperm, which I knew drove him nuts. And now it was my turn to get some head. "Finger my ass while you do that," I said. Tony slid a hand under my balls and held them in his hand except for the middle finger which he pushed into my asshole. I was so close. One more downward stroke of his mouth and… *Yeah.* Of course, Tony being Tony, he needed another hand. "I got one more in me," he urged, his voice a low growl.

He came

just as we heard the front door open.
"Oh, for fuck's sake," I whispered...

Timber Wolves

NICK STONE & JOE BARCLAY ARE HUNGRY LIKE THE WOLF

photographs by Body Image Productions

Will he gnaw my nipples and grip my ankles, hauling up my ass the way you'd pull an engine? Would he let me do that? Will we kneel facing each other on the bed and toss a coin for tops?

Nick's brain careens through a hazy landscape of questions and desires. His eyes glaze over as Joe moves toward him, flashes of fur and muscle momentarily catching his gaze. An instant later they're kissing, groping, mashing their crotches against one another. Hands roam over heaving mounds of chest, meat, ass. Nick bends, his tongue sliding down Joe's neck, milking his Adam's apple, biting his collarbone. He licks there and farther down, down past the warm belly, slipping under the elastic waistband of his briefs, into the dark, where Joe's fat, soft prick is curled, cat-like—but not for long. Not under Nick's heavy, hot breath, his stealthy, darting tongue and the ministrations of his hungry fingers. Clothes slip off, and the men stand chest to chest. Mouths smear together; groins grind. They grapple for the upper hand, for insertion. They go at it shoulder to shoulder—inked biceps flexed, furry thighs spread, ass cracks open. Wide, red nipples chafe as one of them moans, entered. Wrists locked behind his neck, Nick hooks his ankles over Joe's shoulders, and he begs the

man to come inside him. Joe holds on to Nick's glutes as he feeds himself into the man's tight, hair-choked hole, filling him, it seems, entirely. They tumble and Nick is astride Joe's great cock, on his feet, sliding his ass up and down the thick tusk, breathing into Joe's mouth and saying things he's never said before. Joe rolls over and pushes Nick down on his belly, getting his beefy, hairy ass in the air, easing himself into Nick's cunt. They fuck for hours, days, in the deserted cabin. We could do this forever, Nick thinks, but only for a moment. Joe gets his arm under Nick's flat belly and brings him closer to fuck, pumping his thick rod into Nick's hot insides until he finds himself too close to do anything but come. He presses his face against Nick's sweat-dampened back and pulls out just as his jizz geysers between them, painting them both with hot, heavy cream just as Nick shudders and shouts, his own load spraying across the ravaged bed sheets...

When night comes, they do it all over again. This time, slowly. There's no rush now, having already hurried through so many passionate orgasms. They take care to give as much pleasure to the other as possible, making love in the most unselfish of ways. Freely offering spaces they once fought to conquer and penetrate. They kiss, and it's tender, dreamy. Their roughed-up nipples harden from the kiss and goose bumps litter the furry fields of their beefy asses. "Let's stay through the summer," Joe whispers, unsure whether he actually speaks it out loud. Later they fall into a restful slumber, tiny trails of liquid still dripping from their cock heads.

BY THE TIME I GET HOME, IT'S HALF PAST SIX. I can hear the carpenter still working in the backyard. I walk around to see him hammering away on some wooden beam on my patio. His muscles bulge through his sweat-soaked wife-beater—surprisingly whiter than it should be, given all the dust and sweat he's been working up. I've been thinking about this guy all day—actually, I've been thinking about him ever since I hired him. Today I even ducked into the men's room at work on my lunch hour to relieve the erection that my fantasies of him had conjured up.

His name is Brad. And other than the fact that he's a great contractor, that's all I know about him. Well, that and that I want him—badly. I walk over to him slowly, deliberately, my eyes on him all the while. As I climb

the steps to the patio he turns, his smile slightly interrupted by the look of lust in my eyes. I can see the wheels turning in his head.

"Hey," he says.

"Hello," I reply, putting my briefcase down on a patio chair. "The work looks good."

"It's getting there," he says, his voice unsure, unsettled. My cock begins to stir. He clears his throat. "I'll be done sooner than I thought. Probably by the end of next week."

"Pity," I say, pausing slightly to admire his physique—the taut, smooth skin of his arms rippling with muscles, the nipples poking to break through the cotton confinement of his shirt, the thick legs evident even underneath his dirty work denims. He catches my stare, his face turning a deep shade of red.

"I should…um…I better…" he stammers as I move closer to him. I can smell the scent of his sweat, deep and musky from hours spent perspiring in the summer sun. I want to lick every bit of it from him.

"Shh," I whisper, placing my hand on the back of his head and looking into his eyes, my own pupils asking, demanding, *Do you want this? Tell me you want this.*

And then his lips are touching mine. Our mouths lock together in a breathless, fiery kiss. My tongue searches out his, and we dance around inside each other's mouths, spit flowing freely back and forth, the taste of a midday cigarette still faintly lingering on his breath. I turn him around, kiss the back of his neck, bite his earlobes, nibble on his shoulders. Pulling his shirt over his head, I grind my hardening cock into his ass, teasing him.

"I've wanted you since day one," I whisper in his ear.

"Well, I'm all yours," comes his hot and heavy reply. I smile. This is going to be fantastic.

HIS MOUTH IS LIKE FIRE ON MY COCK. The warmth of it is overwhelming, his tongue a soothing swell of sensations. I grab his head and hold it still, fucking his mouth with deep, steady thrusts. He gags and coughs. I love it.

"Feed it to me," he pleads, his eyes wet with tears. He didn't expect me to be so damn big. "Fuck my mouth." I want him to add "Sir" to that, but I decide to let it go—this time. He won't be so lucky tomorrow.

I face-fuck him until I'm on the brink of shooting. I even consider dumping my load down his throat but decide to hold back. The promise of his ass is too great to pass up. I pull him to his feet and kiss his mouth again. "Show me what you've done to the pool," I order, and he takes my hand and leads me there.

It's unfinished, but looking better than it did a week ago. He leads me down the steps one at a time into the shallow end, where he again drops to his knees to service me. Again, he brings me just to the edge before I make him stop. "The pool house," I say, my voice hoarse and shaking with pleasure. "Let's go."

HIS ASS OPENS UP TO ME, JUST AS I KNEW IT WOULD. The knotted muscle of his anus is wrinkled and pink but easily gives way to the blunt head of my fat prick. As I guide myself inside him he gives just the softest of moans, his arm reaching around to pull me deeper into him. When I'm all the way there, he exhales and shudders, and I swear he almost sobs.

I fuck him. Slowly at first, soft and romantic, then harder and faster as I find myself once again nearing climax. As I come, shooting deep into the recesses of his insides, he shoots with me, his breath ragged and heavy with desire and exhaustion. We are one.

Later, he will look at me shyly, head almost bowed down, his eyes afraid to search mine out. "I'll miss seeing you when you come home from work every day," he says timidly.

"Oh, no, you won't," I reply, already wondering how long it will take him to move his things in. I smile. Oh, yes, this is definitely going to be fantastic. ■

fell in love with a boy...

JAYDEN WOLFE & BRIAN WOLFE
PHOTOGRAPHED BY
BODY IMAGE PRODUCTIONS

Boyfriend, Brian thought. That's what Jayden had called him that afternoon as they sat around Brian's apartment waiting for the rain to stop. "So, now that you're my boyfriend we're gonna have sex a lot more, OK?" He'd said it so matter-of-factly. Brian liked the idea—he'd never had a boyfriend. Hell, he'd never even liked a boy until Jayden. Later, when Brian finally asked him how he knew, Jayden laughed and replied, "Every time I looked at you, you looked back."

They'd had sex a few times after meeting at a party. Brian was drunk the first time—a lame excuse, really. Deep down he'd been gagging for something like this for as long as he could remember. And Jayden was relentless—Brian's underpants were down around his ankles before he even knew he was being seduced. And, boy, was it good. *Really* good. The first time they hooked up, Brian felt like it was the first time he'd *ever* had sex. It was different from the kind of sex he'd had before. It wasn't as clumsy or as hasty. And he'd been more nervous, more excited, more into it and more erect than ever before. The things Jayden did to him… The things he'd done to Jayden. Brian had spent countless late-night hours over the past few weeks jerking off while thinking about those things.

And now they were boyfriends. "Cool," Brian finally said, nodding.

Jayden's mouth curved into a sly smirk. "Cool," he said back. He reached over, grabbed Brian by the back of his neck and kissed him hard on the mouth. Brian could feel his cock stir as Jayden mashed his crotch against his own.

Brian was always surprised by how big Jayden's dick was. It felt so foreign and massive and strange when he held it. But he loved the feeling of Jayden's cock in his hand. The soft, firm, tissue throbbed as he stroked it. And as Jayden's grew bigger, Brian's also rose between his legs, as if saluting its leader. What Brian liked best about Jayden's dick, though, was having it in his ass. Oh, yeah—he let Jayden fuck him. That first night even. And now that they were boyfriends, he'd let him every night. ■

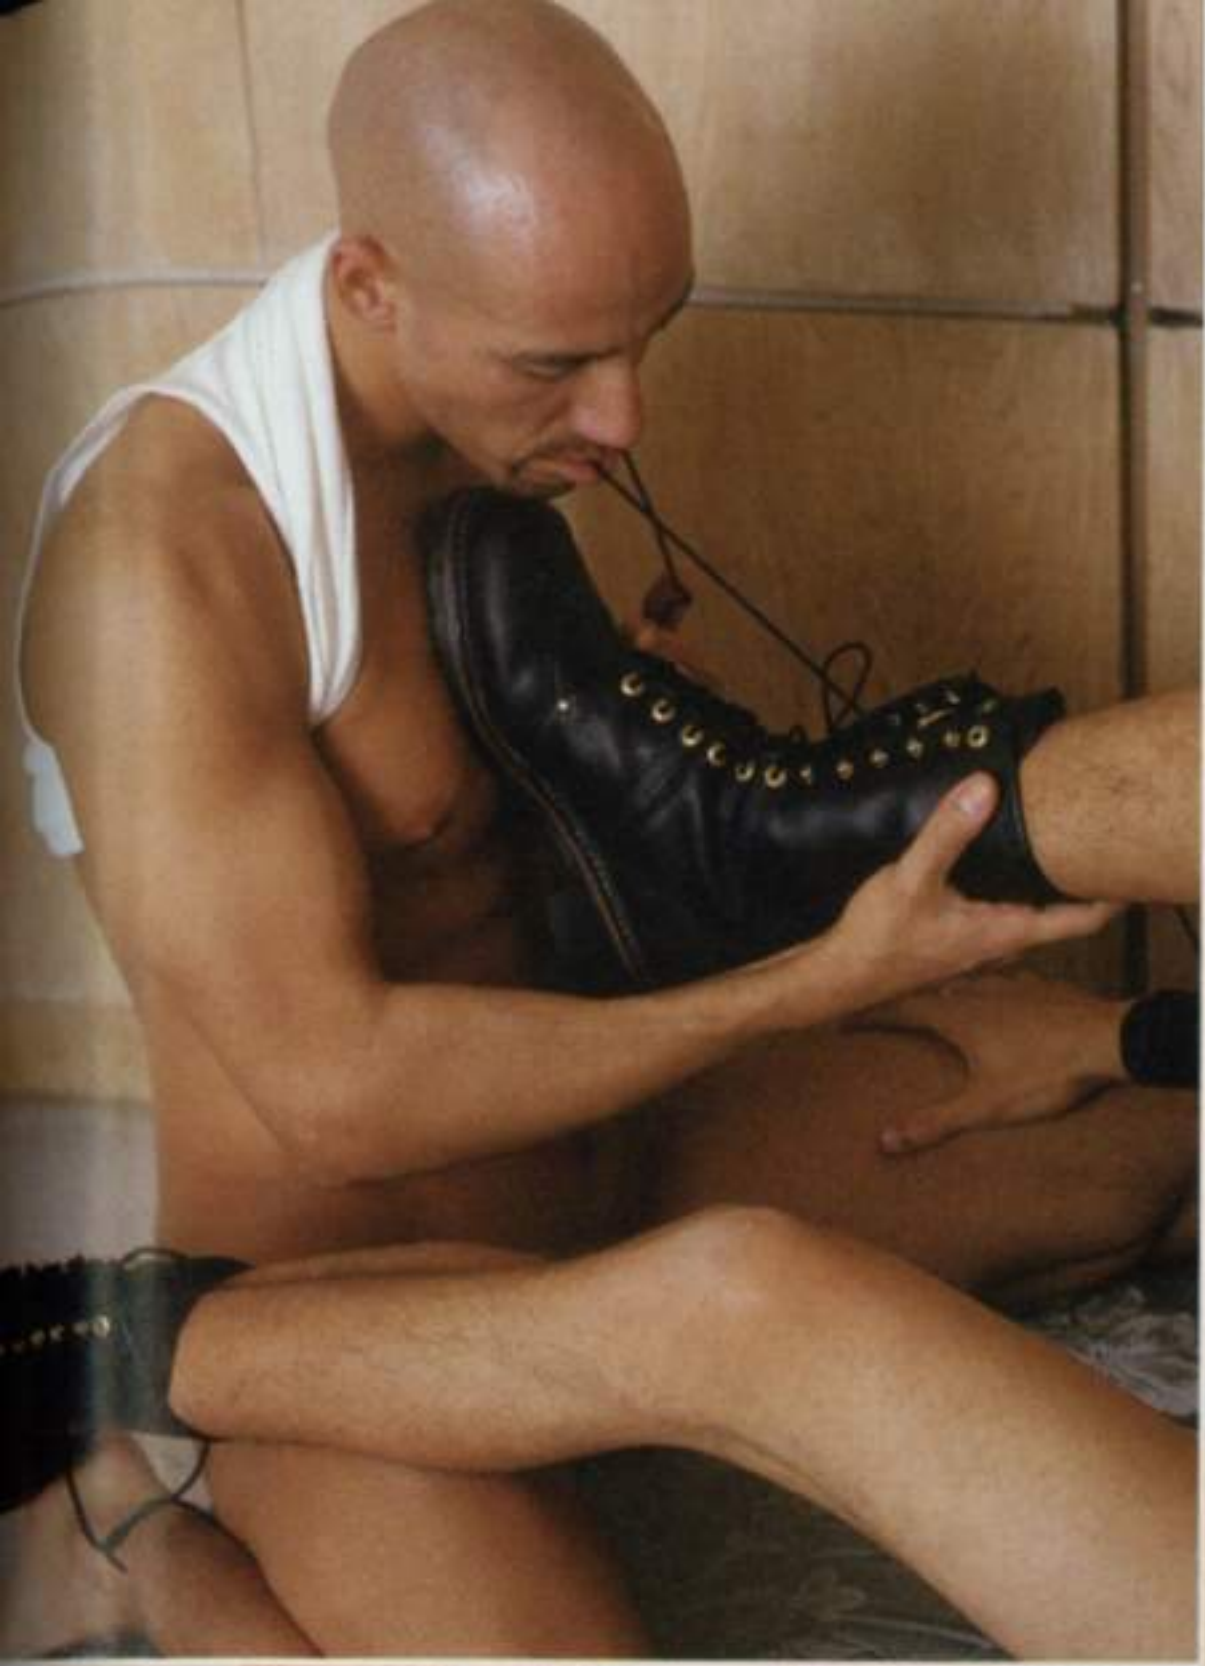
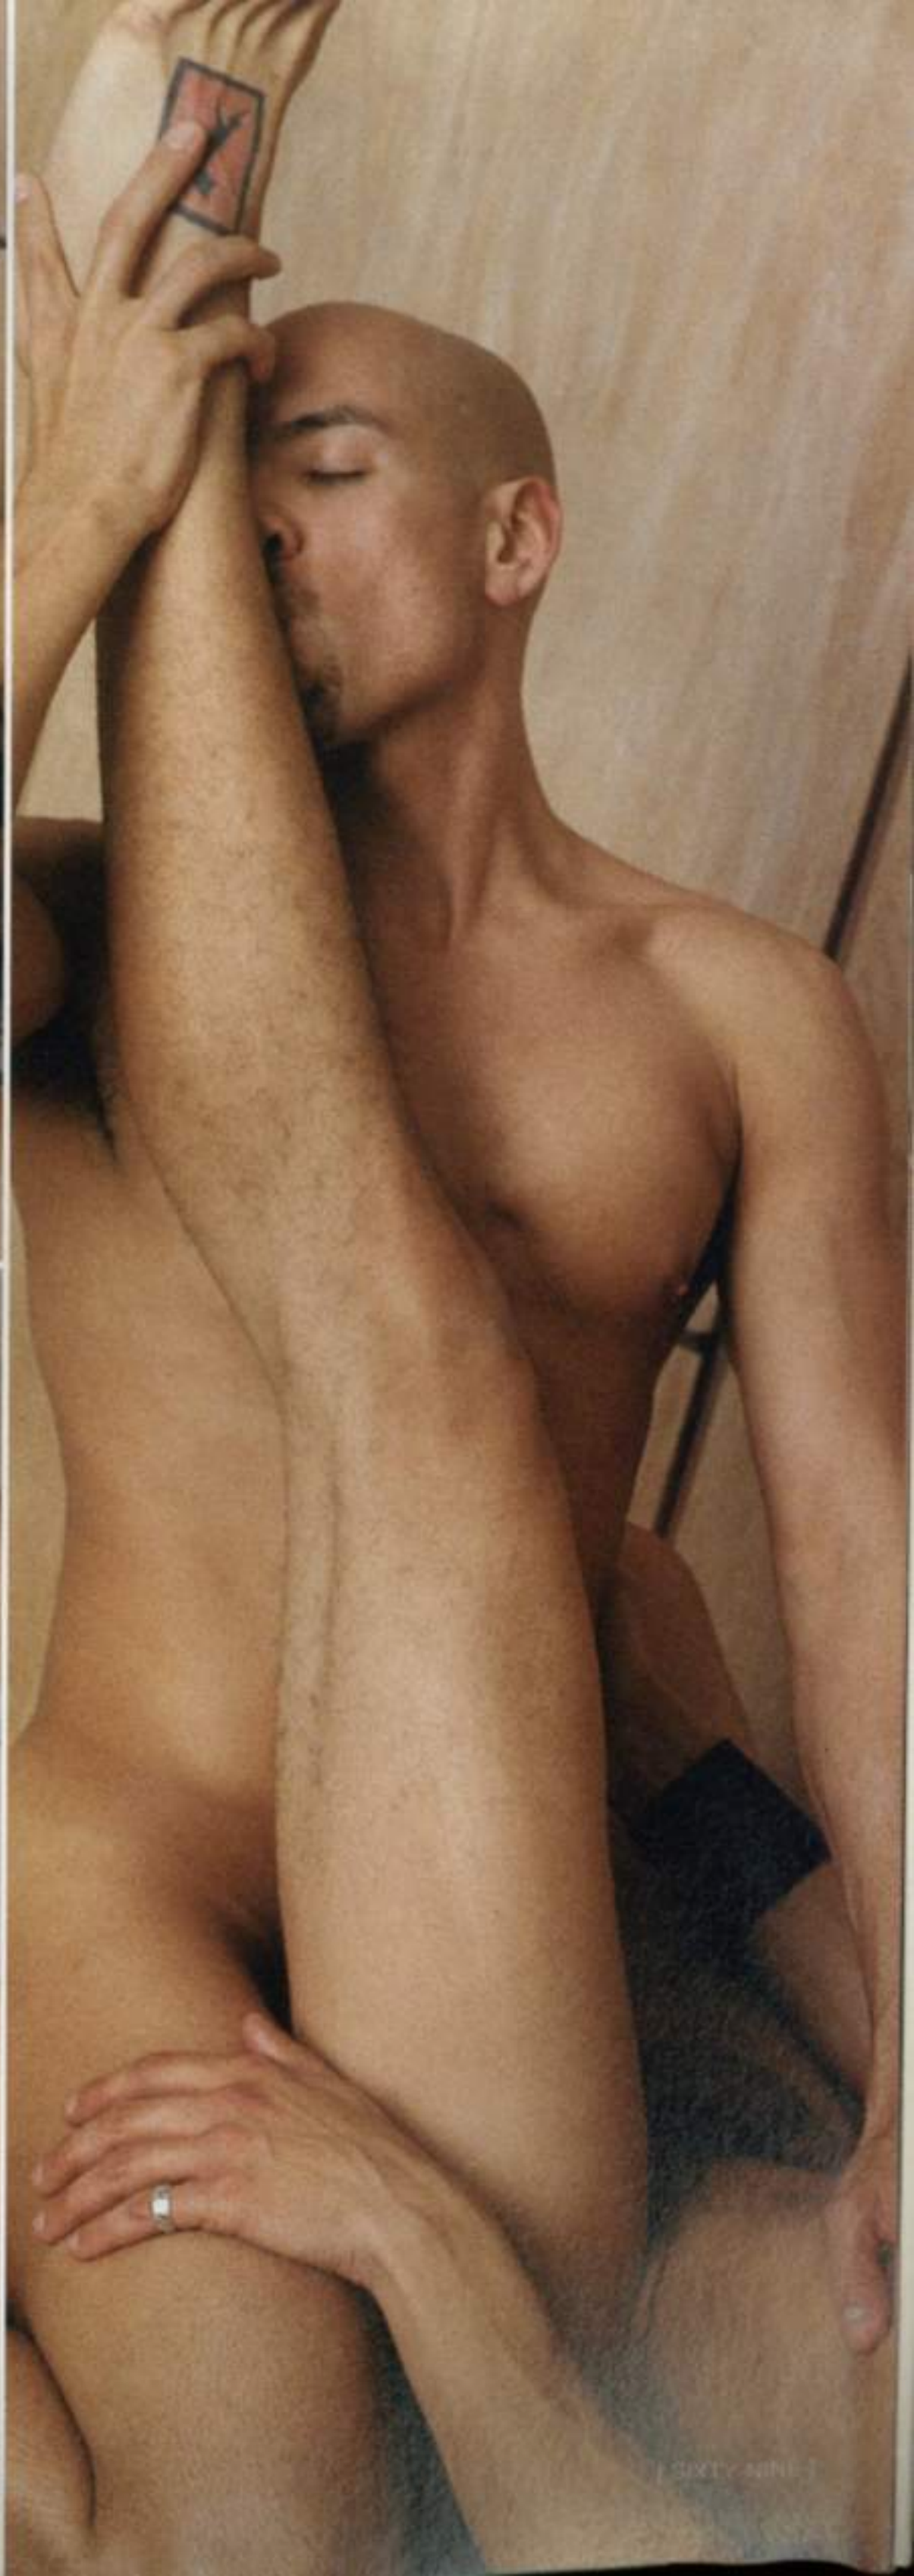
SERVICE

DUCKY & JUNIOR PHOTOGRAPHED BY THE STABLE





"Lick my boots,"

Junior ordered. Ducky sank to his knees, flipped out his tongue and ran it along the length of Junior's black lace-ups. "Good boy," Junior commended as Ducky spit-shined his boots.

He mashed his heel into Ducky's chest, leaving a smudged footprint above his buddy's left nipple. "Now take them off," Junior ordered. "With your teeth."

Ducky smiled. He slowly pulled the laces apart using only his mouth, the tough leather straps leaving a dirty, crunchy aftertaste on his tongue. Once they were off, Junior shoved his big toe between Ducky's lips. "Sweet," he sighed as Ducky lapped at the space between his big toe and his second toe. "Clean 'em all up. Every little piggy."

Junior tugged at his stiff cock as Ducky slurped his way past his ankle and over his knee, which tickled unexpectedly, and up his thigh. "Do that part again," Junior said, savoring the strange and pleasurable feeling of having his thigh mawed at. Then Ducky's mouth reached Junior's fat, heavy uncut cock. A salty stream of pre-come slowly slipped out of the head of it. "Clean my knob, punk," Junior grunted.

Ducky slid his dewy lips over the uncut monster, tugging back the excess foreskin with one of his hands. Junior bucked his hips forward, making Ducky gag as another two inches of Junior's meat made its way down his throat.

Junior spun around so they were in a face-to-cock position. He bagged Ducky's cock into his mouth, blowing him with a serious determination. Ducky spread his legs so Junior could finger his ass while he slopped his cock with gobs of saliva. They groaned simultaneously as they both deep-throated the other's organ. Finally, Ducky spoke.

"Fuck me!" he growled, sliding down the length of Junior's torso until his asshole slid over Junior's throbbing cock. Ducky's fuck hole opened with the slightest ease as Junior pushed his fat knob between the sweaty cheeks. He moaned as his prick disappeared into the velvety tunnel. "Whatever you do," Ducky whispered breathlessly, "don't ever fucking stop." ■

FIRE ISLAND CRUISING 3

Sex, love and water sports. You can have it all when you cruise *Fire Island*...

It all started innocently enough back in the year 2000: Looking to escape the summer heat of New York City, Michael Lucas takes a job on a ferry and heads off to Fire Island only to find out that summer's even hotter by the sea. *Fire Island Cruising*, the first film in Lucas Entertainment's best-selling series, is most notable for introducing porn star Chad Hunt. The short-of-stature, long-of-member performer took the porn world by storm thanks to a certain appendage that bears an uncanny resemblance to that of a horse. The film received the GayVN award for Best Solo Performance for Michael Lucas' own self-help orgasm scene.

In *Fire Island Cruising 2: Boys on Fire* (2001), Lucas and Co. return to the sexy strip of land for another torrid romp with an ocean view. This time out, the stunning Chris Bolt reveals he's gagging to get fucked by the biggest dick on the island (i.e., Chad Hunt's butt-breaking whopper), and relative newcomer Richie Fine declares he wants to make it with "the great porn star Michael Lucas." The film's final scene, in which young Fine's dream comes true, received the most column inches of press: "Fine switches between maniacal laughter and whimpers of pain at alarming speed, crying 'I can't do this' one moment and 'fuck me harder' the next. Just like real life!" declared *HX* magazine with much enthusiasm. The second film has received many more favorable reviews than the first one did, but reviewers debated whether the scene between Lucas and Fine should have been left on the editing room floor. (Was Fine acting, the debaters asked, or was the segment finally a documentary of a porn scene gone bad?)

Considering the film's bizarre turn of events, Fine's bio on LucasEntertainment.com is of amusing interest: "Richie was extremely difficult to work with. He's both unstable and delusional. He consistently kept the entire cast and crew waiting on his unpredictable behavior and ridiculous shenanigans. Richie could have had a much better career if he wasn't completely nuts and someone could actually track him down. Richie, come back to us!"

Unfortunately (or fortunately?), 2002's *Fire Island Cruising 3* does not feature the return of Fine. It does, however, introduce us to Parisian newcomer Marco Rochelle, a Lucas exclusive whose sexy face is as stunning as his gorgeous cock. The film explores deeper issues than the first two, meditating on notions of love and monogamy among sexually insatiable young men. "Director Michael Lucas has created the perfect mixture of love and romance with hardcore fucking," exclaimed *AVN* magazine's review. And with this third installment of the series, performer/director Lucas was lauded equally for his onscreen *and* off-screen roles. Also of note are the water-sports scenes that are featured in the director's cut of the film. In fact, all six *FIC* films feature a pissing and/or a beer enema scene in the director's cut. Perhaps the plumbing on the island is so bad that nobody wants to piss in the toilets? As for the beer enemas—well, for one thing, they taste great and this way they're totally less filling.

The next installment, *Fire Island Cruising 4*, was also released in 2002. By then Lucas and his team had developed a distinctive style, a consistently humpy cast and a successful formula for the *FIC* videos. Says *X-Factor* magazine: "If you have not seen Michael Lucas' *Fire Island Cruising* movies, you need to get to your video store now! This has been one of the best series of gay porn produced lately." On this outing to the island, you'll wanna keep an eye out for the long, lean sex machine Christophe Blanc, who was introduced to Lucas through model Marco Rochelle.

Part 5, released last year, is the 25th video release from Lucas Entertainment and the only video in the series to feature Michael Lucas prominently on the box cover. Which isn't to say there aren't any new sexy stunners this time around. *FIC 5* offers not one but two new hunky Lucas exclusives: Rob Ramos and donkey-dicked Wilson Vasquez. Lucas' scene with the heavenly bottom stud Ramos is the film's sexiest and offers the biggest erotic payoff. All in all, it's not a bad trip out to the island.

Having made its debut this past March, *Fire Island Cruising 6* showcases yet another hung-to-the-knees stunner in the form of foxy foreigner Arpad Miklos. Once again, the film follows a lonely heart (Rob Ramos, still not satisfied from film number 5) looking for

love under all the wrong boardwalks. The only thing missing here is Lucas himself, who, perhaps having already divided and conquered (read: fucked silly) his entire cast of *Island* cruisers, is content to sit this one out in the director's chair.

So after four years, six films and dozens of insatiably horny muscle studs with big dicks and round bubble butts, what have we learned from the *Fire Island Cruising* series? For starters, you're just as likely to get laid on Fire Island as you are to get sand in your underpants. And second, always recycle your beer.

Colt Studio's newest exclusives put the beef back in beefcake

Carlo & Karim

Their thighs are thunderous. Their pecs are *pant*astic. Their asses are as creamy-delicious as two massive mounds of melted *buttah*. Together they probably weigh around 500 pounds. Even a full-grown rhinoceros can't compete with the muscles bulging beneath their skin. They're Colt Studio's newest and hunkiest exclusives, Carlo Masi and Karim, and these photos of them offer a sneak peek at the upcoming Colt release *Big n' Plenty*, director John Rutherford's highly anticipated follow-up to last year's *Reload*.

Hailing from Italy and blessed with the body of a Roman god, Carlo is making his Colt debut in *Big n' Plenty*. New Yorker Karim (with tattoo and full beard), however, is a Colt veteran, having modeled for master photographer Jim French some 10 years ago. *Big n' Plenty* is something of a comeback for Karim, and if you ask us, he's definitely worth the long wait.

But Carlo and Karim are only two of the reasons why this hardcore humpfest is called *Big n' Plenty*. Joining them are fellow Colt exclusives Dave Angelo and Adam Dexter, as well as new Colt men Mark Williams, Dason Reed, Sam Shadon, Lee Young and Marcus Iron. *Big n' Plenty* also introduces new Colt exclusive Edu Boxer, a sexy Spaniard whose heart-achingly gorgeous green eyes are just the beginning of this newcomer's mind-boggling beauty.

To see more of Carlo and Karim, order *Big n' Plenty* or just ogle the countless other heavenly bodies of Colt Studio, visit www.ColtStudio.com. You'll be glad you came.
