Coach gave his boxer a serious looking-over after the fight. His boxer had gotten beat and his spirits were down. But Coach was optimistic: "You'll live," he said. "Nothing that can't be shaken off after a good blow job."

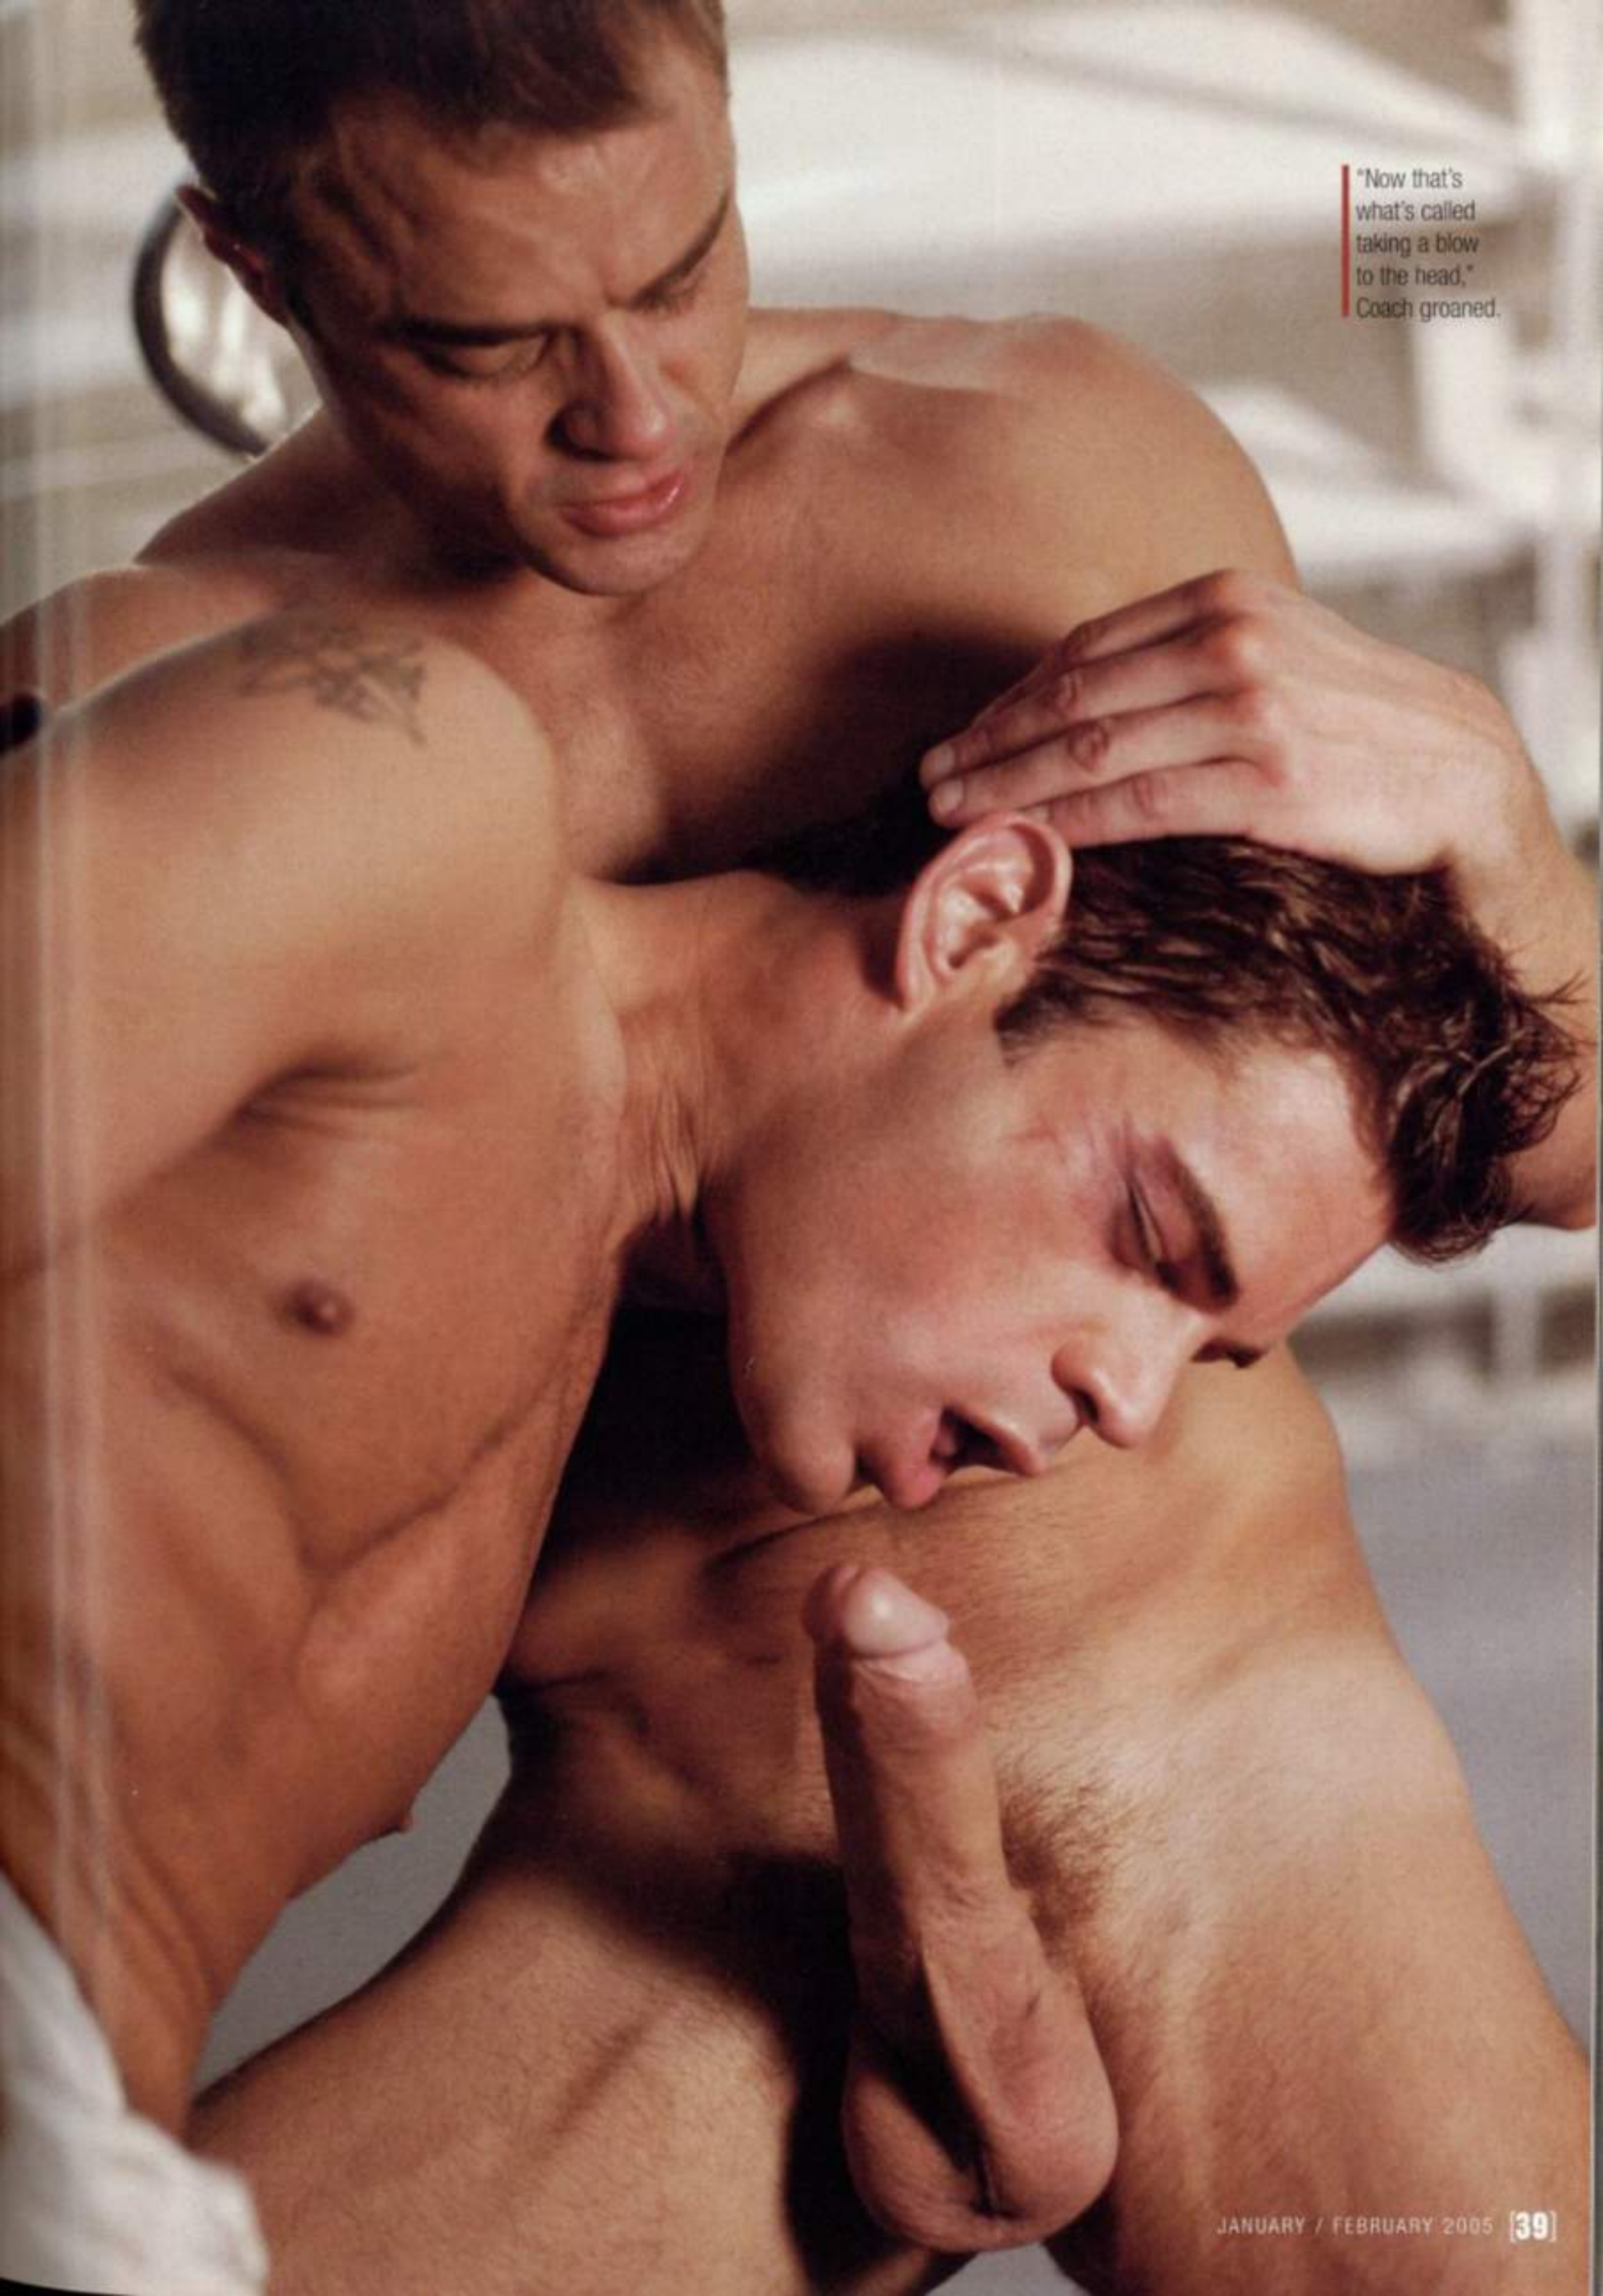
"Geez, coach," the boxer said as he grabbed Coach's bulge. "You sure got a big dick."

"Suck it like a champ," Coach said.

"Even though I lost?" the boxer asked softly.

"Even though you lost," Coach replied.

The boxer always knew deep down that he was a lover, not a fighter. Finally, he'd have a chance to prove it. And he wanted to prove it to his coach too. So he took hold of the large piece of meat in front of his face and swallowed his coach's cock whole, all the way to the root, without gagging. It wasn't easy; his coach sure did have a big dick.



"Now that's what's called taking a blow to the head," Coach groaned.

"Ever been kissed down here before?" Coach asked, pulling apart the boxer's butt cheeks.

"No, sir," the boxer replied. "It sure feels good though."

The boxer was in ecstasy as Coach worked his butt hole over. "Now that's one prize-worthy ass," Coach sighed as he probed and prodded the boxer's beautiful behind. "Real tight, too." Coach spread the boxer's pink rosebud apart wide. He could hear the boxer breathing really heavily. Coach reached around and groped the boxer's basket over his jockstrap. The boxer was hard as a rock. "You're a virgin, ain't ya?" Coach asked, but didn't wait for an answer. "Yeah, you are. I can tell. What you need is a big man cock up that tight fuckin' hole of yours."

Before Coach got into the boxer's tight tunnel, he wanted a little servicing of his own. "Get in there and clean me up real good," Coach said, pushing the boxer's head into his crack. "Stick your tongue up in it."

The boxer lapped at the bubblegum knot tentatively at first, but was soon digging in like he was in the ring. He was surprised by how good the coach tasted.

Coach smiled into the eyes of his fighter, who was turning out to be a very good lover indeed. "Now," the Coach started, pushing his big, thick tool between the boxer's thighs.

"Now you gonna fuck me?" the boxer asked. He sure wanted to get fucked.

"What do you think?" the Coach replied.

It felt so much better than the boxer thought it would. "Feels good," he said breathlessly as the Coach slowly slid his fat cock deep into the boxer's tight ass. "Hmmph," the boxer grunted, spreading his legs apart even further.

"That's it," Coach said encouragingly, sinking his shaft deep into the boxer's silky hole. "That's all of it."

They shot their loads onto each other's chests and watched as the white jizz slid down to their groins. The boxer let out a quick laugh.

"What's so funny, eh?" Coach asked, smiling.

"That was the second time tonight I got my ass pounded," the boxer said.
"Maybe," Coach said, standing up and drawing the boxer in close. "But you're still a winner to me."
