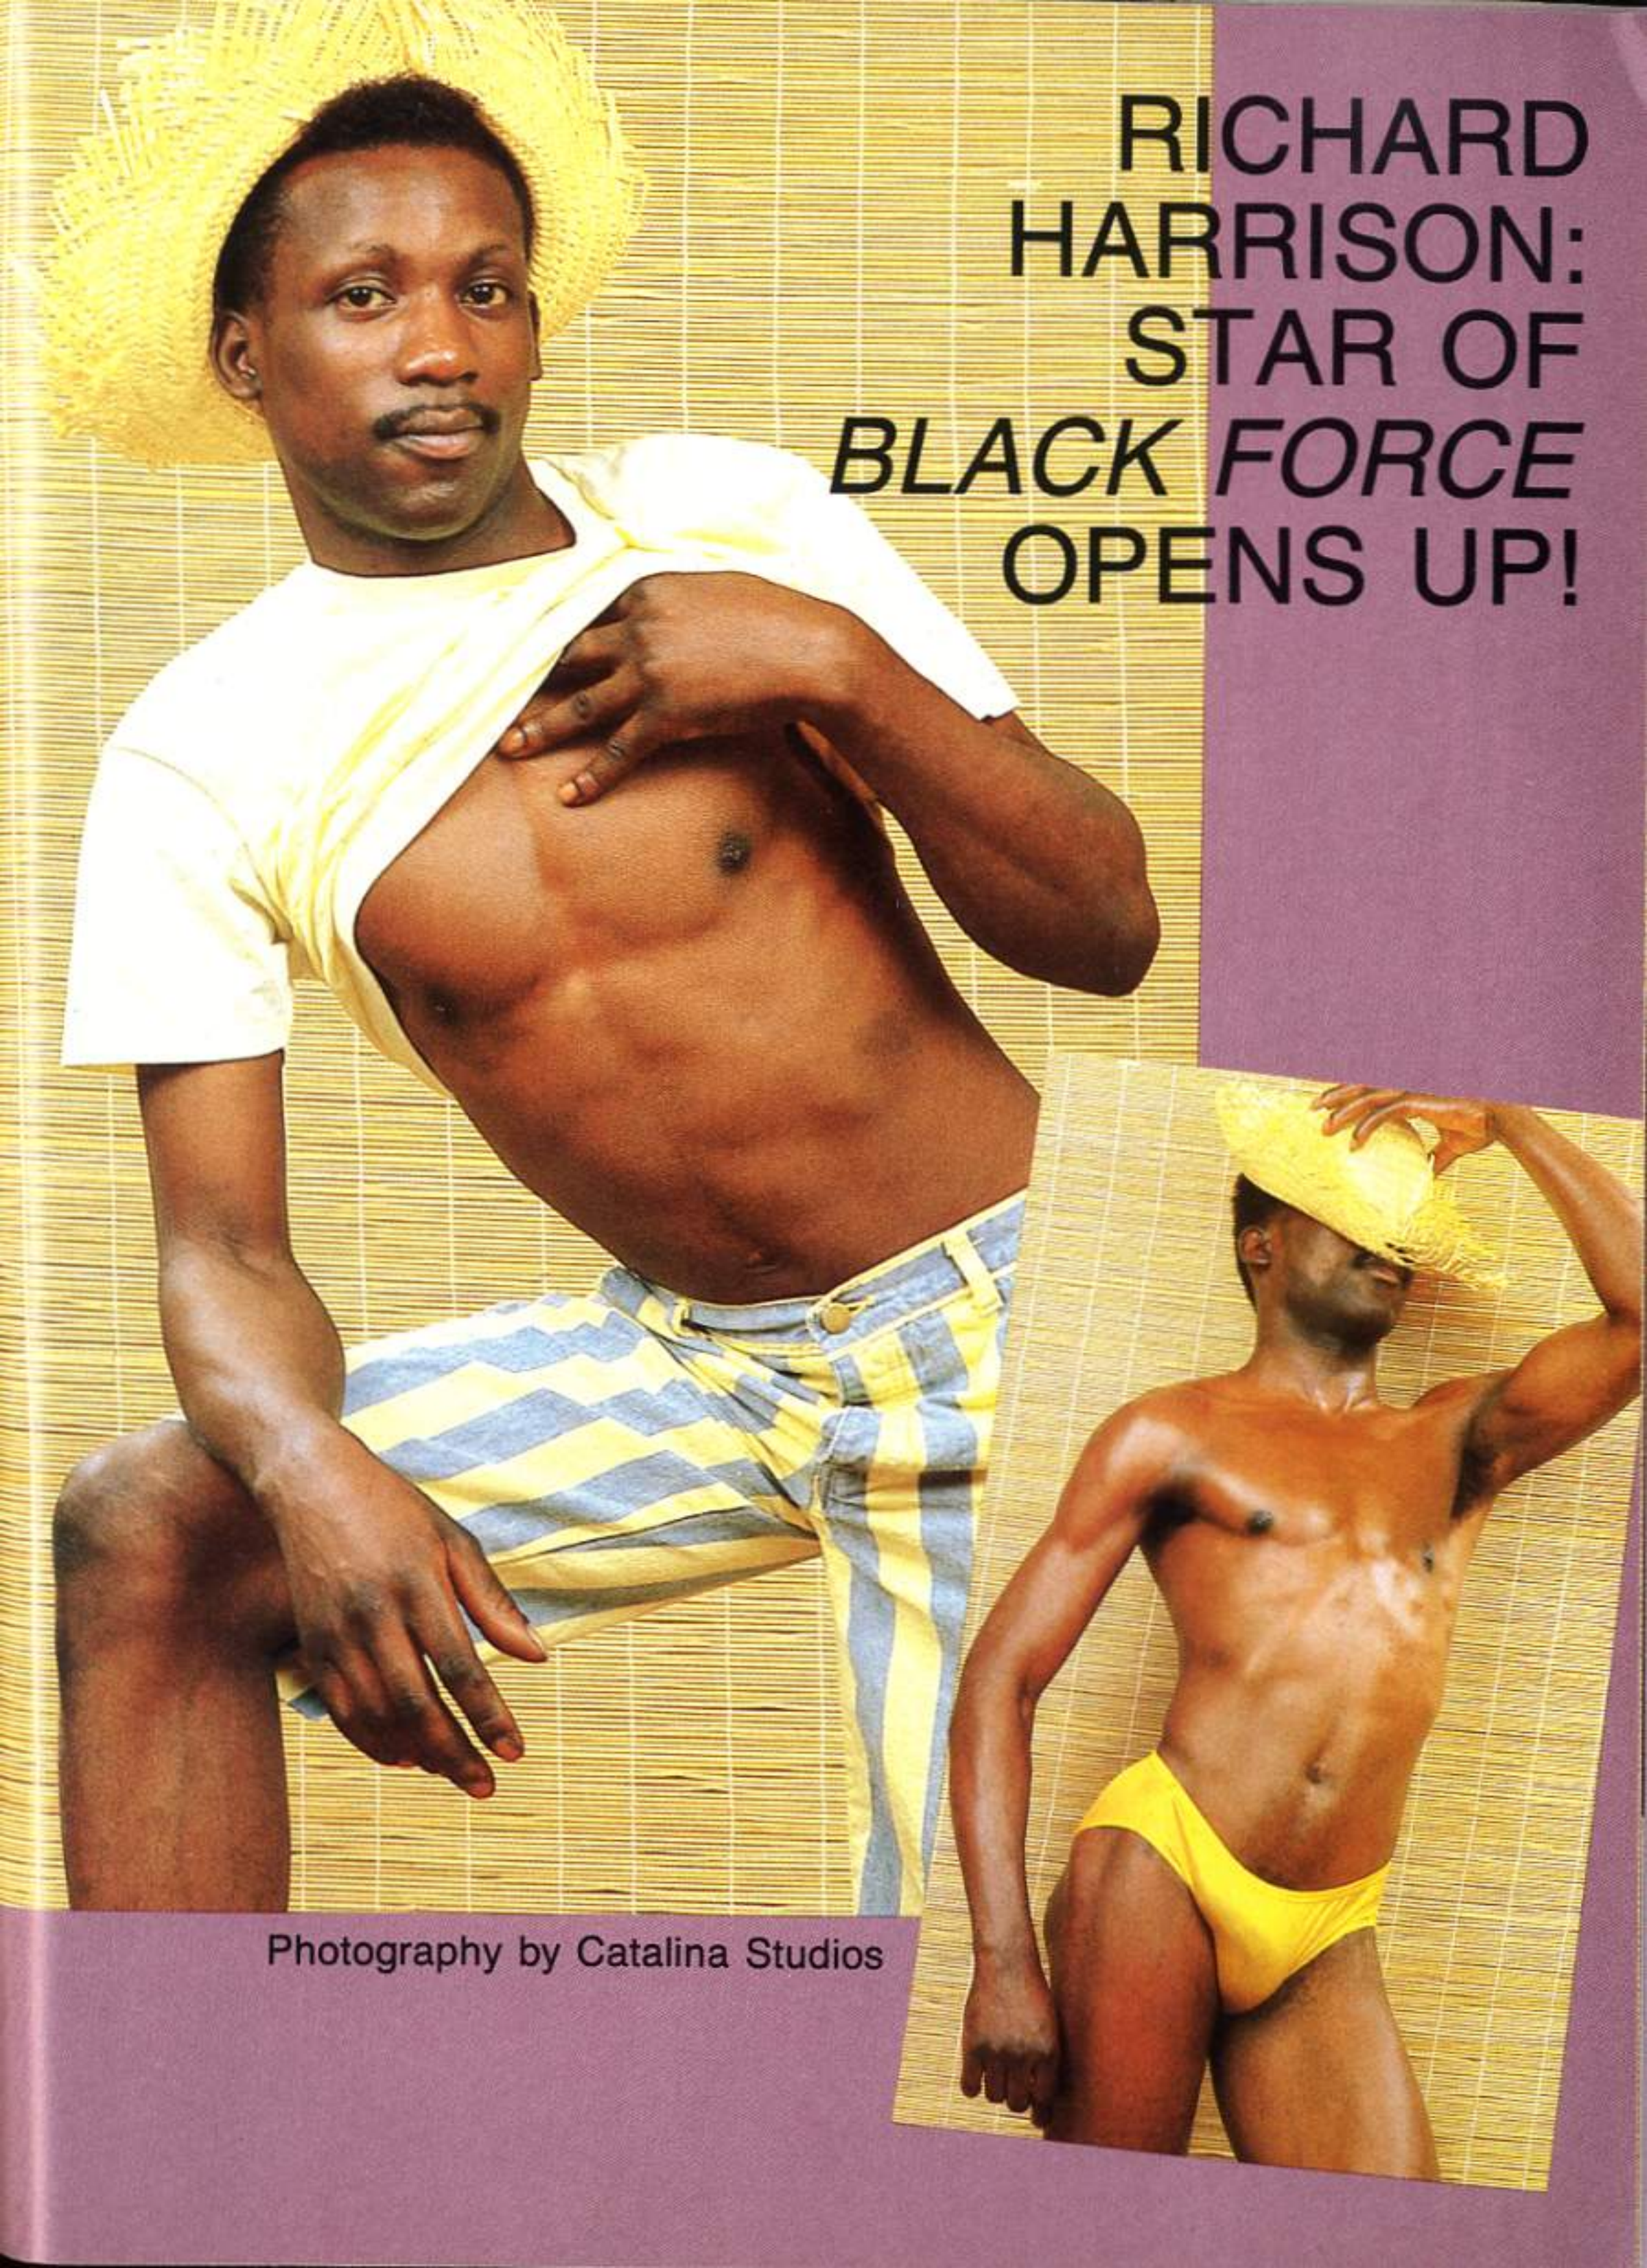
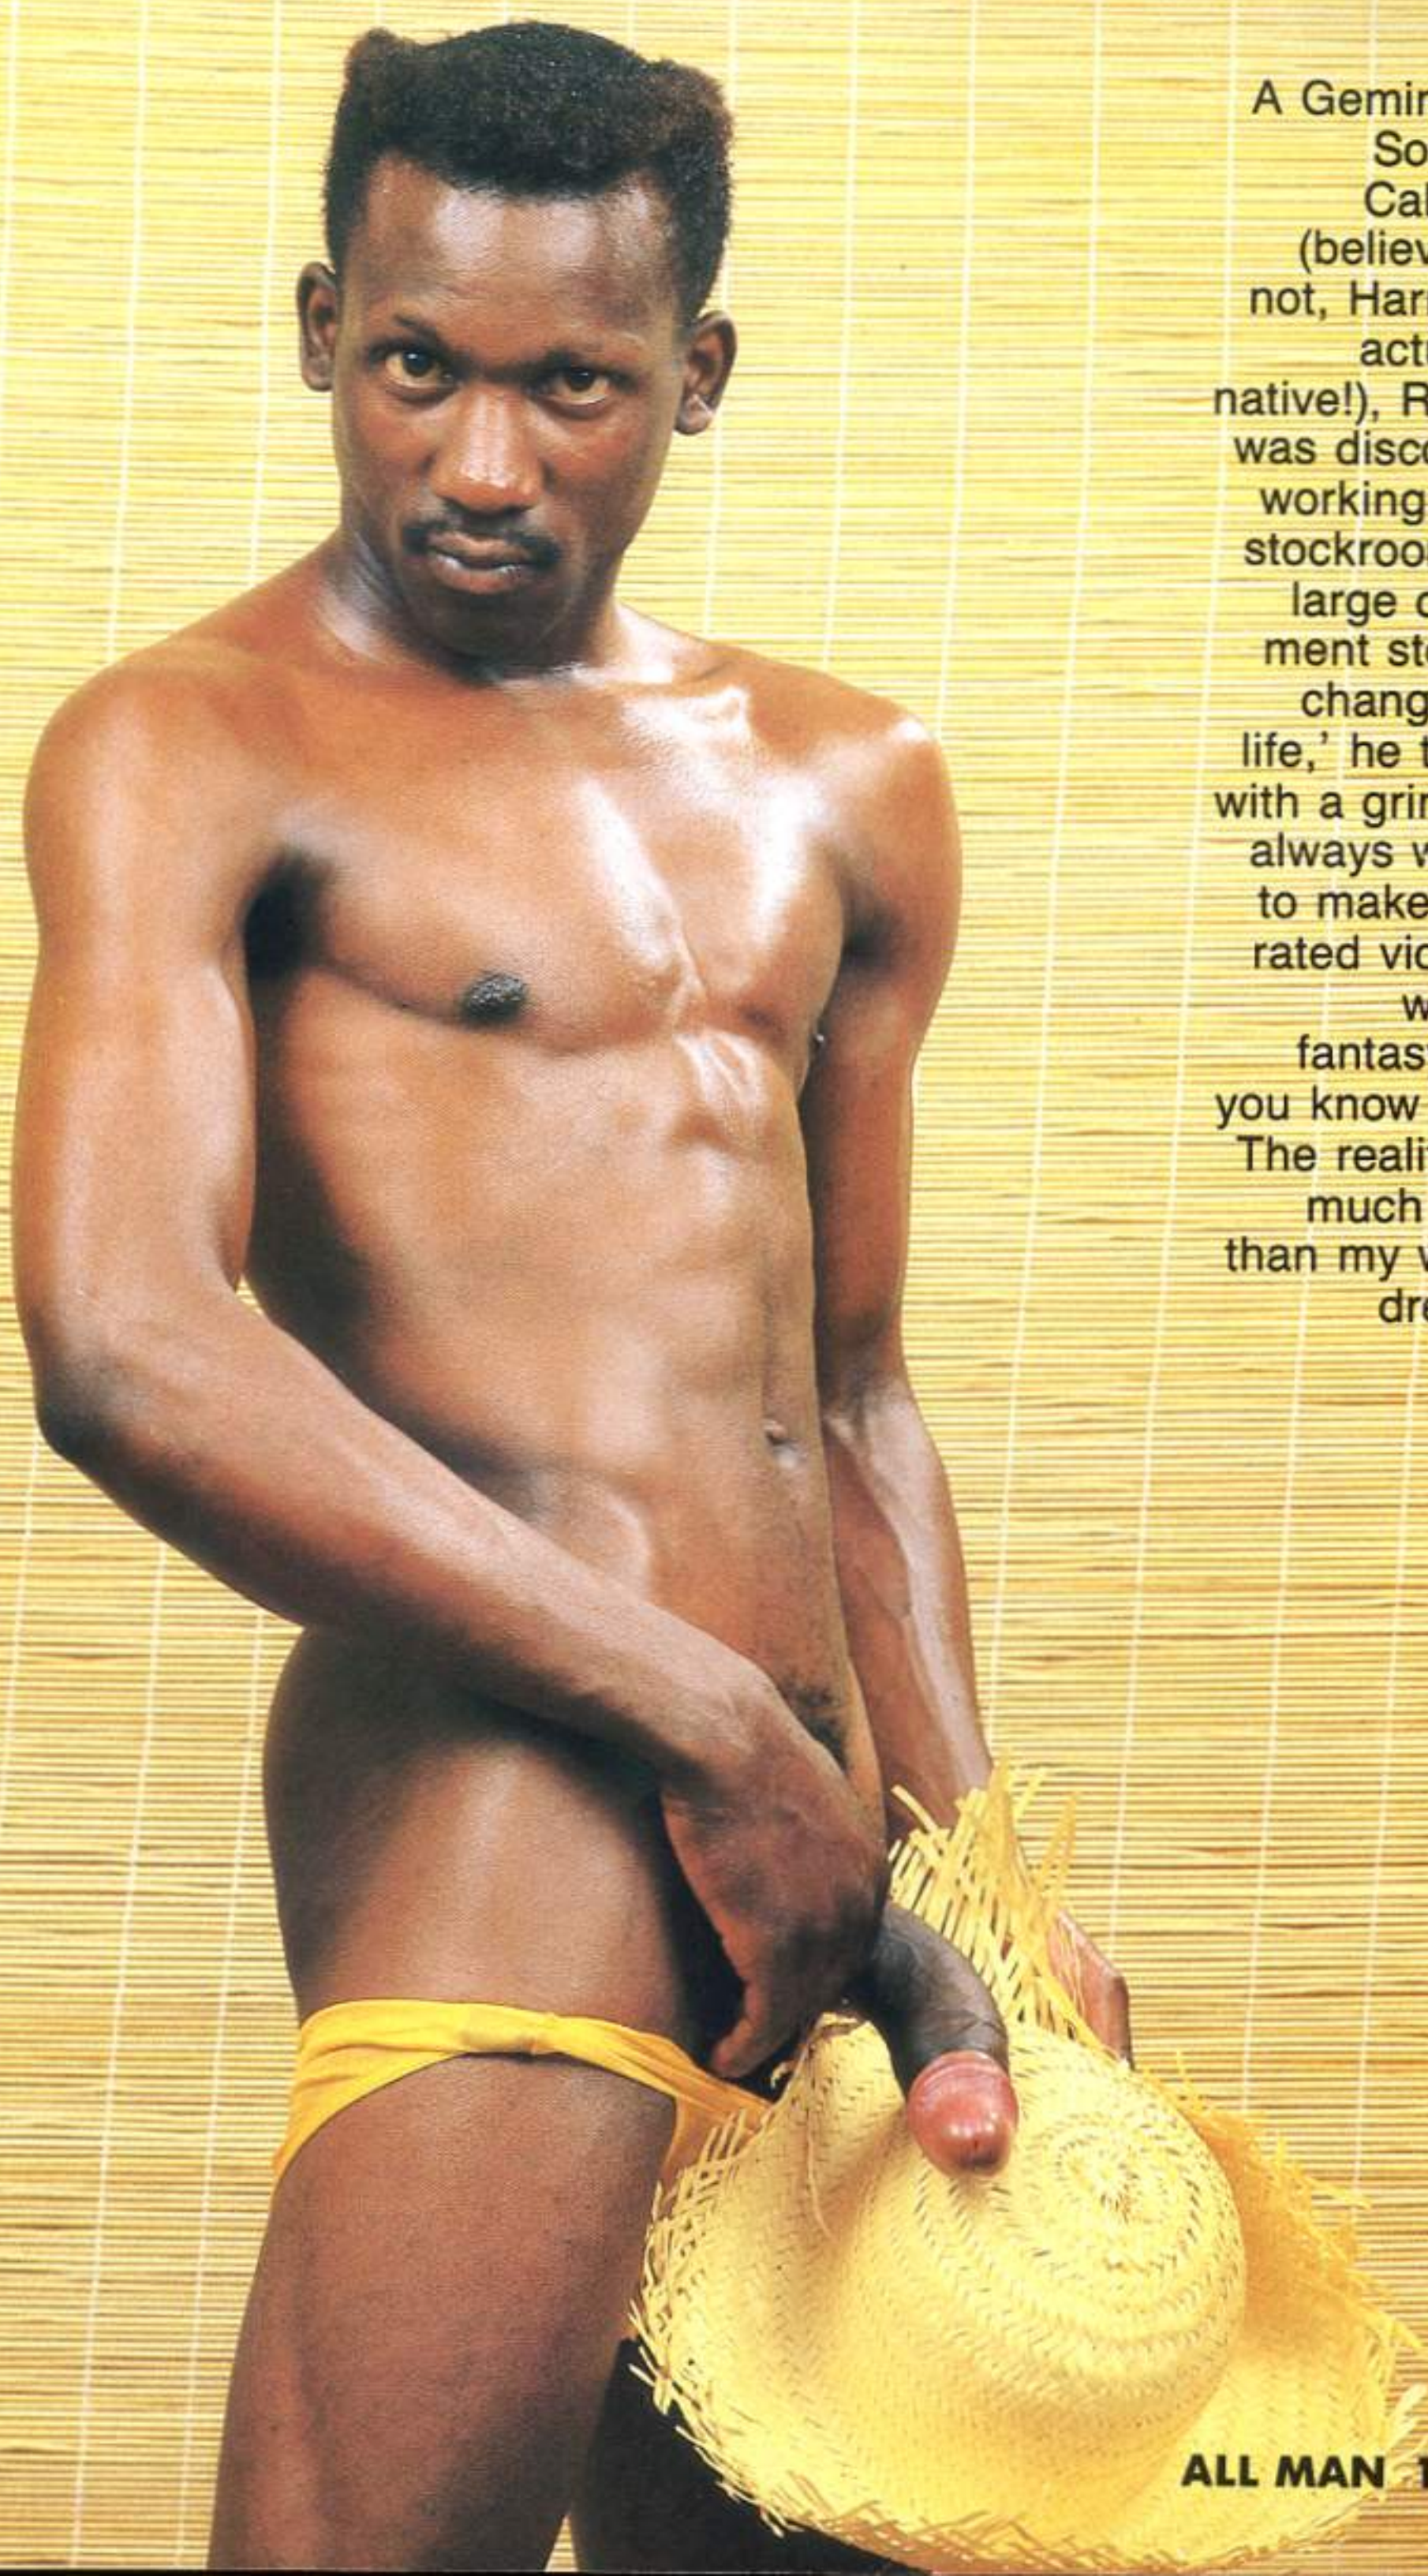
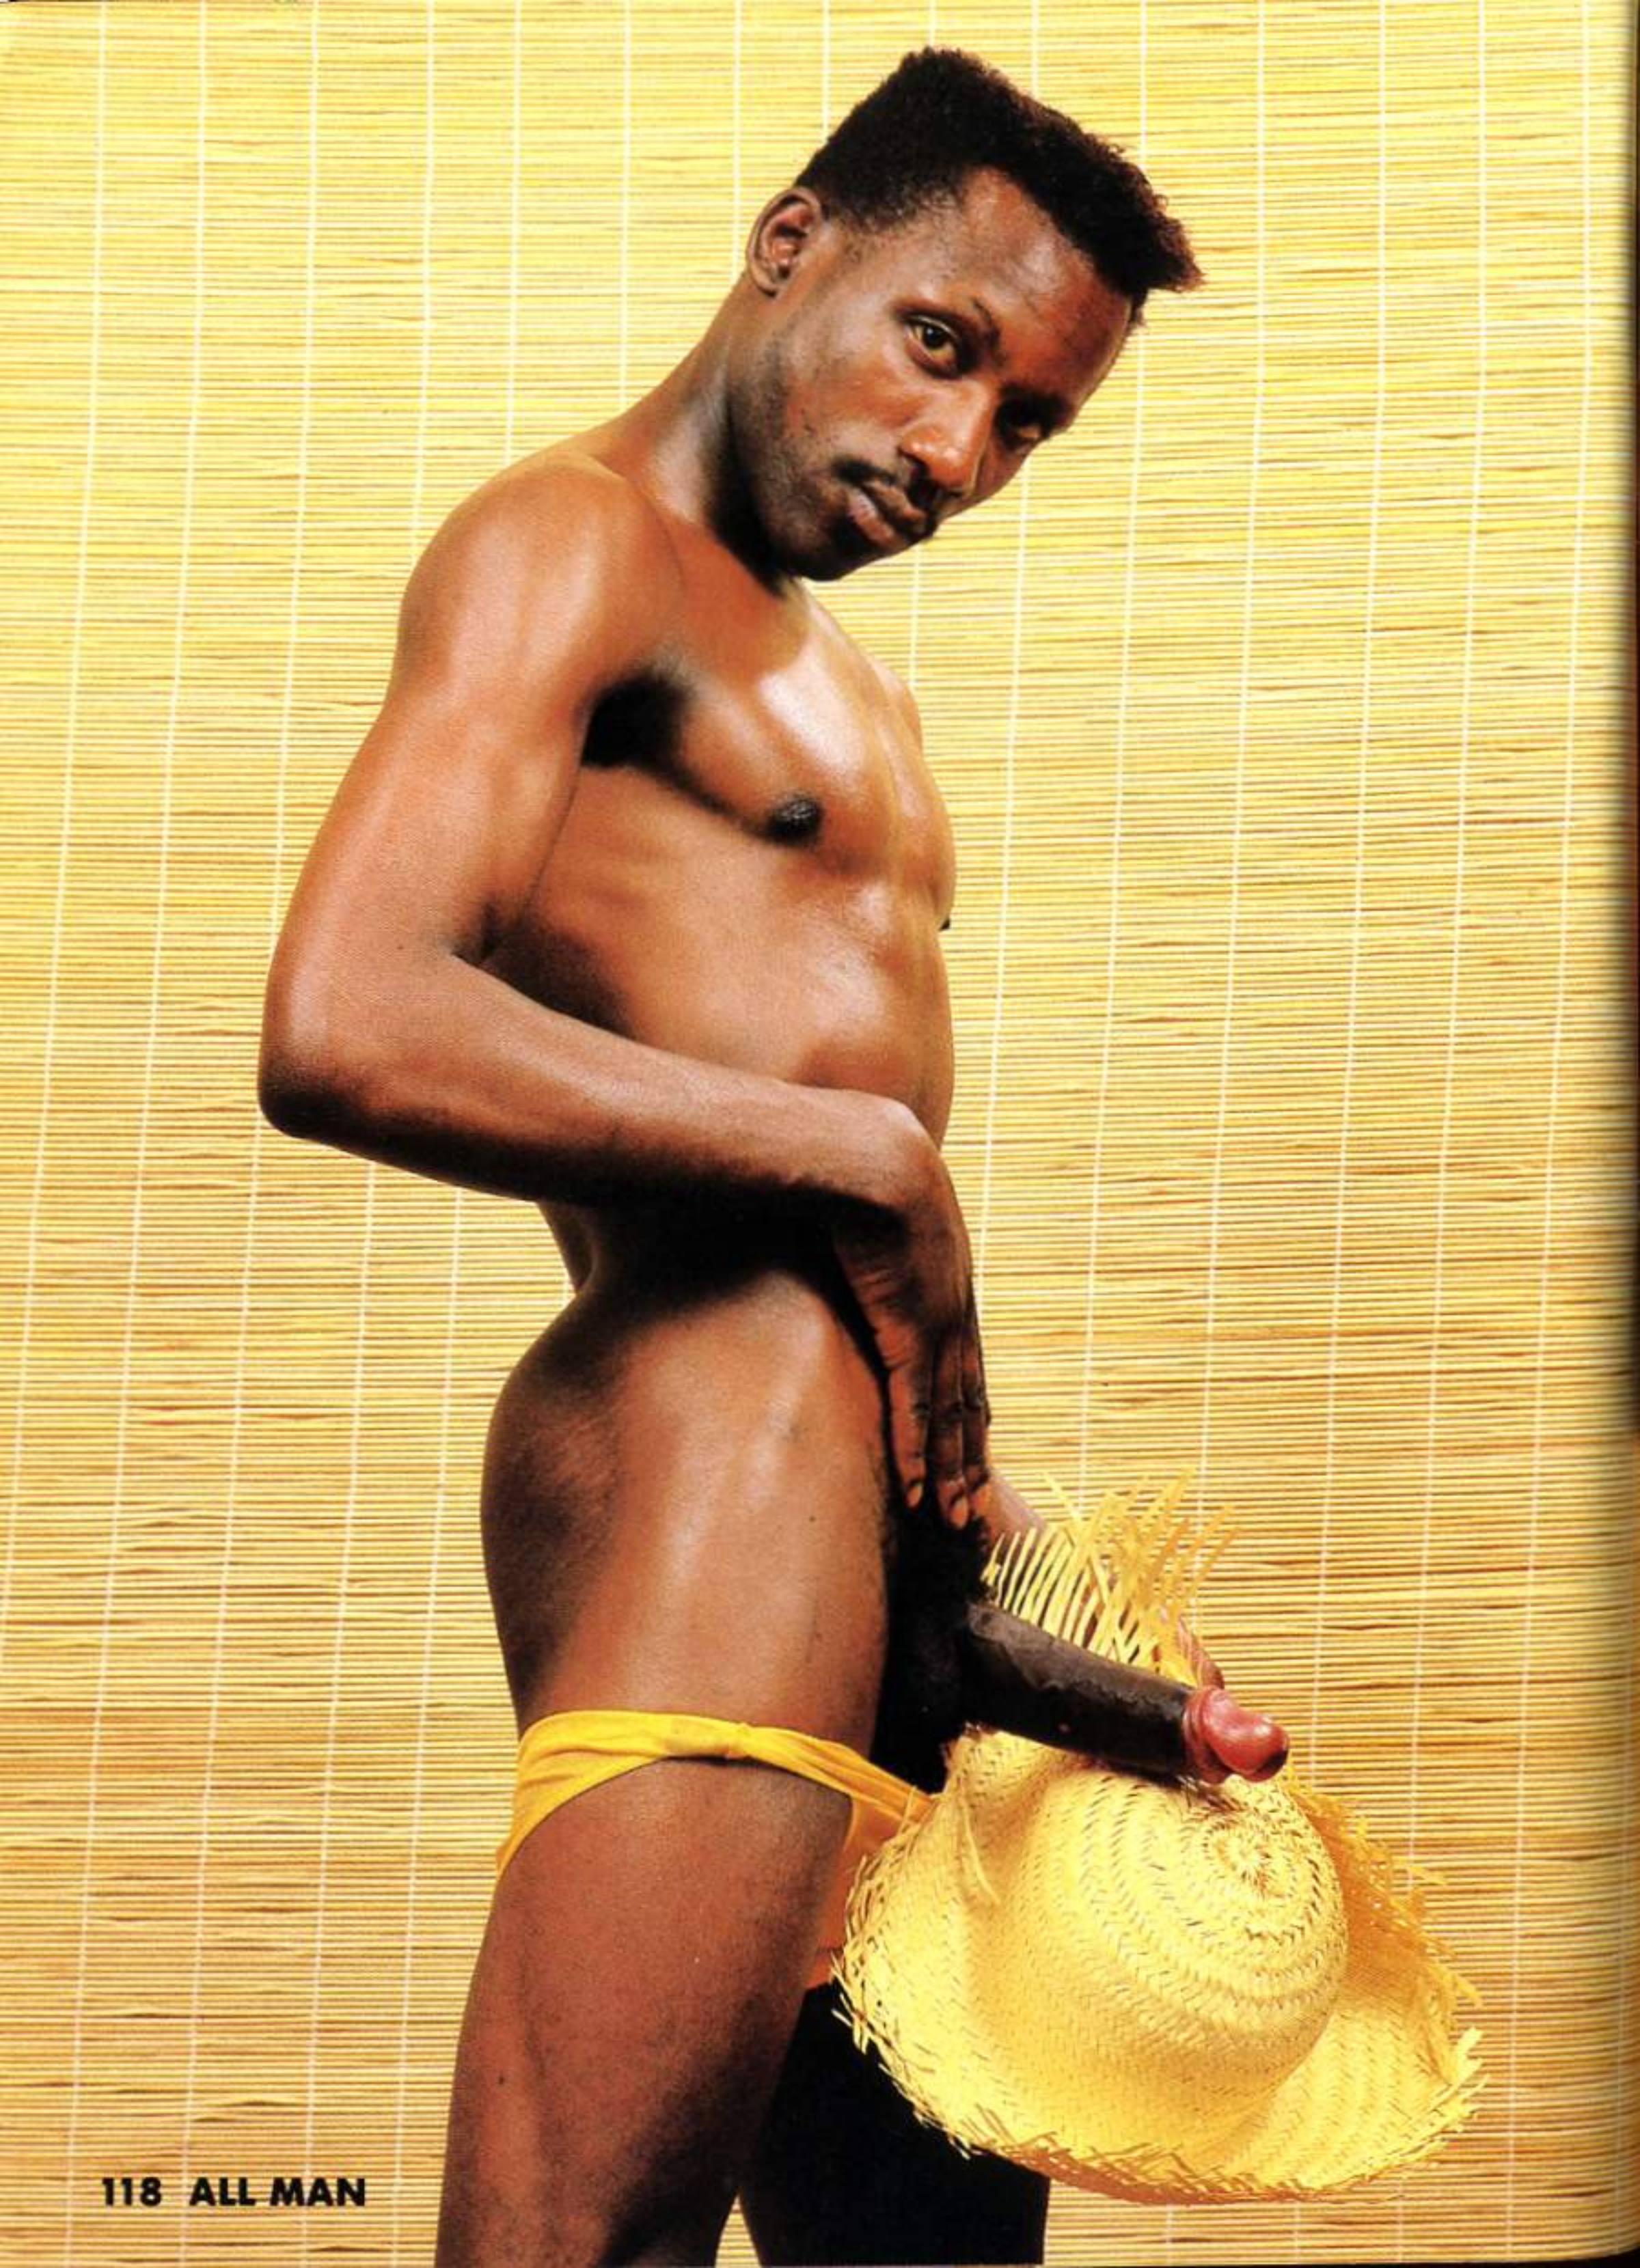
RICHARD HARRISON: STAR OF *BLACK FORCE* OPENS UP!



Photography by Catalina Studios



A Gemini from Southern California (believe it or not, Harrison's actually a native!), Richard was discovered working in the stockroom of a large department store. 'It changed my life,' he told us with a grin. 'I've always wanted to make an X-rated video—it was my fantasy—but you know what? The reality was much hotter than my wildest dreams!'



At 5' 7", Harrison admits he's hung like a horse. 'Guys are always asking me how long my dick is,' he laughed, 'but I tell them all the same thing—I've never measured my cock—it's just what I call huge!"
