STARRING ARPAD MIKLOS & KYLE LEWIS PHOTOGRAPHS BY UNZIPPEDVIDEO.COM

Arpad knew instantly Kyle was more innocent than he appeared just by looking into his eyes. "I can show you things," Arpad had said. "I can teach you things."

Arpad let Kyle explore his body slowly. Kyle wandered over the furry territory like a man discovering a new frontier. He stared in awe as he pulled down Arpad's underpants and Arpad's enormous cock sprung upward, full of blood and pulsing with need. "Now," Arpad said, "put it in your mouth."

Kyle gripped the thick, fleshy tube in both hands and massaged it gently. He pulled the foreskin over the mushroom head of Arpad's cock and stuck his tongue into the folds. Arpad held Kyle's head and moaned his approval.

Slowly, Kyle enveloped Arpad's tool with his moist mouth and took as much of the meaty member down his throat as he could. "Good," Arpad sighed. Arpad gradually began humping Kyle's mouth and soon enough, three quarters of his cock was disappearing down Kyle's throat. "Looks like we've got ourselves a natural-born cocksucker," Arpad whispered.

When Arpad finally got Kyle out of his pants, he smiled and kissed Kyle deeply. "You've been holding out on me," he said. "What do you mean?" Kyle asked.

Arpad took hold of Kyle's own huge cock and gave it a squeeze. "This," Arpad said. "This big, beautiful dick is what I mean." Kyle beamed, proud that Arpad thought his cock was impressive. Arpad kissed his way down Kyle's firm, smooth chest, smiling to himself as Kyle played with his furry ass. Arpad looked up at Kyle as he licked the soft pubic hair at the base of Kyle's tool. He inhaled Kyle's scent and let out a sigh. Arpad ran his tongue up and down the long, hard shaft. He waited to see if Kyle would sink a finger into his warm hole. Finally, he felt the poke. It was his cue to expertly work over Kyle's cock with his mouth, lips and tongue.

After nearly shooting his load three times, Kyle could take no more of Arpad's heavenly mouth on his heavily-leaking faucet. He didn't want to come yet. Not until this sexy beast fucked the living daylights out of him. "OK," Arpad said firmly. "Now I show you how to rim."

Kyle had never rimmed before; but just the thought of it made his dick stiffen. As soon as Arpad lay down on the sofa and exposed his furry butt hole, Kyle dove in between his cheeks and licked away. "Do it in waves," Arpad instructed. "Slow at first, than faster, than slow again. Sometimes dig in deep, like you're trying to fuck it with your tongue, sometimes brush against it gently. Always keep your tongue moving."

Kyle did as told, and was rewarded with Arpad's deep, loud groans of extreme pleasure.

"I think you like this," Arpad said as he watched Kyle work his asshole over with his tongue and mouth. Kyle nodded, a twinkle in his eyes. "Then I think I should do it to you," Arpad said, "so you know how good you've made me feel."

Kyle couldn't believe how good it felt. Back when he'd dated girls, none of them had ever done this. This was more intense than anything he'd ever felt before. His body shook, goosebumps erupted on his arms and legs, his cock shot up as if pulled by an imaginary string. *This*, he thought, his head spinning, his knees weak and his muscles spasming, *feels fucking amazing*! He let out a loud moan and sunk further onto Arpad's invading tongue.

Of course, he had no idea that Arpad had saved the best for last…

"I'll go in slowly," Arpad whispered into Kyle's ear as his massive cock poked at the entrance of Kyle's virgin ass. "Then I'll let you take over." Inch after inch disappeared into Kyle's rectum, and with each thrust, Kyle felt his body tremble with a pleasure he'd never known. He was completely consumed by the feeling of being fucked. He was in heaven. Finally, a breath. "Don't..." Kyle started, Arpad grunting beneath him, groping him with his big paws. "Ever..." he continued, Arpad thrusting in deeper. "Stop..." Kyle groaned, feeling his ass open for even more of Arpad's dick. *There was more? Yes. More!* "Fucking me..." he finally finished.
